Council Recognizes and Congratulates St. Joseph Church on the Occasion of their 75th Anniversary

Councilmember Ron Menor and I co-sponsored an Honorary Certificate to celebrate the 75th Anniversary of St. Joseph Church in Waipahu.

Visit With Department of Facility Maintenance Pearl City Baseyard

Councilmember Elefante visited with the men and women of the Pearl City Baseyard for the Department of Facility Maintenance. He thanked them for taking care of the many day to day activities to ensure that our roads are maintained, our streams clear, and our bus stops clean. These City employees work hard every day to make our island a better place to live.

Healthy Tip of the Month: Take A Break

Taking five-minute breaks--whether you sit at a desk, do heavy construction work, or anything in between--can have several benefits. Below are examples of some activities you can do in five minutes or less for rest breaks.

- Take several short breaks throughout the day (about every hour). Make sure they include some movement.
- Take a short walk away from your workstation.
- Stand up and stretch or walk in place at your desk without looking at your computer monitor.
- Get out of your chair whenever you take phone calls at your desk.
- Change positions at your workstation.
- Have a drink of water or a light snack.

List of Proposed Capital Improvement Program (CIP) Projects for Fiscal Year 2017 Budget

The fiscal year '17 CIP budget was introduced as Bill 15 (2016) on March 2, 2016 as required by the City Charter. The City Council will hold Budget Committee Briefings on this and other budget bills this month. Proposals for amendments will then be discussed at future Budget Committee and Full Council meetings. The City's budget must pass by June 15, 2016 and it will take effect on July 1, 2016.

To follow is a list of CIP projects proposed for Council District 8.
