CITY AND COUNTY OF HONOLULU
LANDFILL ADVISORY COMMITTEE

MEETING NO. 3

LIMITED MEETING AGENDA
WEDNESDAY, NOVEMBER 3, 2021
1:00 P.M.
VARIOUS SITES

This limited meeting is being held to view the H-POWER, Waimānalo Gulch Sanitary Landfill, and PVT Landfill facilities (collectively, "Facilities"). It is necessary to the Landfill Advisory Committee's business to hold the limited meeting and on-site inspection of the Facilities, in order for the Committee to gain an understanding of the City's waste processing operations and facilities.

The limited meeting is closed to the public pursuant to Hawaii Revised Statutes Section 92-3.1 because the meeting locations are dangerous to health and safety, and public attendance is impracticable because of the safe practices and social distancing requirements that are in place due to concerns associated with COVID-19 and its variants. Attendance is limited to Committee Members and necessary City staff and contractors.

Committee Members are to assemble at Kapolei Hale, 1000 Uluohia Street, Kapolei, Hawaii, and will travel together by bus to each waste processing facility site. Committee Members will remain on the bus for the majority of the tours at each facility and may disembark and travel on-foot for brief sections of the tours.

This limited meeting was approved by a vote of two-thirds of all voting members at a regular meeting of the Committee on October 25, 2021. Minutes and a video recording of the limited meeting will be subsequently available to the public.
