BFS 25423

**DEPARTMENT OF BUDGET AND FISCAL SERVICES  
NOTICE OF AND REQUEST FOR EXEMPTION  
FROM CHAPTER 103D, HRS**

PURCHASING DIV  
BUDGET & FISCAL SVCS  
C&C OF HONOLULU  
09 OCT 22 A 9:27

- 1. TO: Chief Procurement Officer
- 2. FROM: Department of Transportation Services

Department/Division/Agency  
Pursuant to §103D-102(b)(4), HRS, and Chapter 3-120, HAR, the Department requests a procurement exemption to purchase the following:

3. Description of goods, services or construction:  
 LENEL Access Control and Monitoring System (ACAMS) for the Pearl City Bus facility. Cameras & card readers, perimeter cameras, software, licenses, and other critical system components will be purchased and installed, and interface into the current LENEL security system at the Middle Street Bus Facility.

4. Name of Vendor: Intergrated Security Technologies (IST) (Integrated) Address: 3375 Koapaka Street, Suite C-321 Honolulu, HI 96819	5. Price: \$338,250.00
--	---------------------------

6. Term of Contract: From: 1/1/10 To: 5/31/10	7. Prior Exemption Ref. No. 237
---	------------------------------------

8. Explanation describing how procurement by competitive means is either not practicable nor advantageous to the City:  
 The LENEL ACAMS is the City's current system used by or to be installed by DFM at the FMB, ENV at its various facilities, HPD at its main headquarters, HFD at its main headquarters, and DTS at its Middle Street Bus Facility. Procurement for the LENEL ACAMS at FMB, ENV, and the Middle Street Bus Facility was accomplished under Procurement Exemption No. 237 (attached) and Contract No. CT-DIT-0700313. IST is the only local authorized provider/installer of the LENEL ACAMS.

This project is funded by the Department of Homeland Security Transit Security Grant Program (TSGP) and M-4 No. 4194 (attached) was approved on 11/7/08.

9. Details of the process or procedures to be followed in selecting the vendor to ensure maximum fair and open competition as practicable:  
 IST is the only local authorized provider/installer of the LENEL ACAMS.

10. A description of the agency's internal controls and approval requirements for the exempted procurement:  
 DTS has prepared documents (proposal, minimum specifications, special provisions) for its effort to negotiate a contract with IST and DIT Director Gordon Bruce has offered his knowledge and expertise to review IST's offer to insure that the price quotations are fair, reasonable, and in the best interest of the City. While this project will be managed by DTS, the project manager will work closely with staff from DIT and Oahu Transit Services.
