

Gross Liquor Sales (GLS) Report (Rev. 07/01/14)

Online Instructions for Dispenser, Cabaret, Hotel, Club, Retail, Manufacturer, & Wholesale Category Licensees

The GLS online reporting system is quick and simple to use! GLS reports are due each year on July 31st. You may provide your report as early as July 1st. The report involves the sale of liquor made during a particular **fiscal year from July 1 (previous year) thru June 30 (current year)**.

Prior to logging in to the GLS online system, please have the following sales numbers in hand ready to input for the current fiscal year.

- 1)** Gross Liquor Sales
Includes total liquor sales with tax and bottle fees if applicable
- 2)** Total Complimentary Liquor Sales
At the value of its sales price
- 3)** Liquor Stock (in dollars, includes wholesale tax and bottle fees)
Liquor Stock on hand as of July 1st of the previous year
Total Liquor Purchases from July 1st (previous year) to June 30th (current year)
Liquor Stock on hand as of June 30th (current year)

Access the GLS reporting website using **Internet Explorer, Version 7 or 8**. If you are unable to access the program, it may be due to the version of Internet Explorer. A potential fix for this issue is to go to “Tools – Compatibility View Settings” and click the box “Display All Websites in Compatibility View.” See the following pages for step-by-step instructions to complete your GLS online report.
