ITEM NO. 2 – QUESTIONS AND RESPONSES

The following questions were received by the Transit Mailbox and at the Pre-Submittal Conference; the responses from the Honolulu Authority for Rapid Transportation (HART) follow.

Question #1

The RFQ, Appendix A, page 7 discussed a need to be aware of the registration and licensing requirements of HRS Sect 444-4. HRS Chapter 444 deals with registration and licensing requirements, but HRS Sect. 444-4 only describes the Contractor’s License Board “Powers and Duties of Board.” Please clarify the reference.

Response #1

The reference in question has been deleted in its entirety in Item No. 1 of this Addendum No. 2.

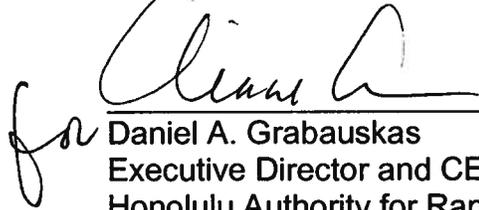

Question #2

The RFQ, Appendix A, Additional Information, in discussion of HRS Chapter 444 and HAR Chapter 16-77, states that “registration will be required in order to submit a statement of qualifications.” Please indicate the intent of the statement.

Response #2

The statement in question has been deleted in its entirety in Item No. 1 of this Addendum No. 2.
