

**REQUEST FOR QUALIFICATIONS  
GENERAL ENGINEERING CONSULTANT (GEC)**

**QUESTIONS AND RESPONSES**

**DATED 10/05/2009**

**Question #8:**

The City stated that firms named as the prime or subconsultants in any other active HHCTCP solicitation are not eligible to be awarded the GEC contract. We understand this concept, however, because we have not been selected for any of the other solicitations at this time, it is our understanding that a conflict of interest does not **yet** exist. If selected for any of these solicitations, the potential consultant **should**, in consultation with the City, declare its intentions as to which HHCTCP program it would like to execute. We would like to appeal to you to provide further clarification with this issue – your response would be very much appreciated.

**Response #8:**

Firms named in any other active HHCTCP solicitation in any capacity are not eligible to be awarded the GEC Contract. We believe this statement is clear.
