

**DEPARTMENT OF BUDGET AND FISCAL SERVICES
NOTICE & REQUEST FOR SOLE SOURCE**

1. TO: Chief Procurement Officer
2. FROM: Gordon Shiraishi, Major, Training Division
Department/Division/Agency

Pursuant to §103D-306, HRS, and Subchapter 9, Chapter 3-122, HAR, the Department requests sole source approval to purchase the following:

3. Description of goods, services, or construction:
Taser X26P kit, yellow, class III; Taser camera, TCHD-X2; four-year warranty for the Taser X26P; four-year warranty for the Taser camera; and shipping and handling.

The cartridges that will be used for the Taser X26 and X26P are as follows:

1. 25' cartridge for field use;
2. 21' cartridges for certification and annual recertification training; and
3. 21' simulation cartridge for scenario-based training.

4. Vendor Name: Taser International Address: 17800 N. 85th Street Scottsdale, Arizona 85255-6311	5. Price: \$1,000,000
--	--------------------------

6. Term of Contract: From: 9-25-2015 To: 9-24-2016 (mm/dd/yyyy)	7. Prior Sole Source Ref No.
--	------------------------------

8. Feature: The good, service, or construction has the following unique features, characteristics, or capabilities: Both of the X26 and X26P Tasers are optimized for full-time carry on the duty belt, and their features are software upgradeable.

Features include:

1. Integrated laser sight with low-intensity lights
2. The Central Information Display indicates countdown timer during an activation and battery level
3. Greater incapacitating power
4. Neuro muscular incapacitation
5. Capability to shape pulse technology
6. Digital pulse control
7. Taser cartridge
8. Anti-felon identification
9. Enhanced USB dataport
10. Laser and illuminator integration
11. Digital power magazine battery pack
12. Central information display

*Final BFS-Purch
9/9/15*

9. Essential features. How the unique features, characteristics, or capabilities are essential for the agency to accomplish its work:
 Since 2004, the Honolulu Police Department's (HPD) sworn officers have been trained and certified to solely use the Taser X26. The X26P is an upgraded version of the X26, and officers will not require further training. Using any other type of device would not be consistent with the training and certification and would require additional training.

Supplemental Information attached.

10. Alternate source. The following other possible sources for the good, service, or construction were investigated but do not meet our needs because:
 Taser International is the only vendor that sells, repairs, and provides warranties for the Taser X26 and Taser X26P cameras. The HPD has been using and certifying sworn officers with the Taser X26 since 2004.

Supplemental Information attached.

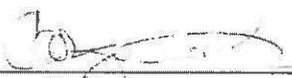

11. Direct any inquiries to:
 Department: Honolulu Police Department
 Contact Name/Title: Gordon Shiraishi / Training Major

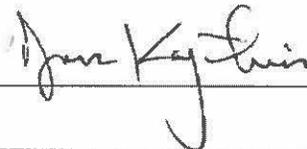

12 Phone Number:
 723-8301
 Fax Number:
 677-7394

Expenditure may be processed with a purchase order: Yes No If no, a contract must be executed and funds certified.

Agency shall ensure adherence to applicable administrative and statutory requirements.

I certify that to the best of my knowledge, that the information provided above is true, correct, that there is no conflict of interest related to this procurement, and that the goods, services, or construction are available through only one source.

 Department Head

6-4-15
 Date

Reserved for BFS Use Only

Date Notice Posted: _____

Submit written objections to this intent to issue a sole source contract within seven calendar days or as otherwise allowed from the above posted date to: Chief Procurement Officer
 Department of Budget and Fiscal Services
 530 South King Street, Room 115
 Honolulu, Hawaii 96813

Chief Procurement Officer's comments:

APPROVED DISAPPROVED NO ACTION REQUIRED

_____ Chief Procurement Officer

_____ Date

Supplemental Information

No. 9 Essential features. How the unique features, characteristics, or capabilities are essential for the agency to accomplish its work:

Taser are a non-lethal alternative for HPD to incapacitate suspects by way of electric current that is discharged by nodes fired from the Taser gun. This keeps officers at a safe distance away from the suspect and does not jeopardize the officers' safety while apprehending the suspect.

No. 10 Alternate source. The following other possible sources for the good, service, or construction were investigated but do not meet our needs because:

Taser International is the patent holder for the Taser gun and cameras. There are other stun devices on the market, but none that can discharge or fire electric nodes to immobilize at safe distance. Taser patents list attached.
