DEPARTMENT OF BUDGET AND FISCAL SERVICES
NOTICE & REQUEST FOR SOLE SOURCE

12 NOV 27 10:50

- 1. TO: Chief Procurement Officer
- 2. FROM: ENV/WTD
Department/Division/Agency

Pursuant to §103D-306, HRS, and Subchapter 9, Chapter 3-122, HAR, the Department requests sole source approval to purchase the following:

3. Description of goods, services, or construction:
 Three ZAPS Technologies LiquiID Station 2000 units for wastewater sampling, including floor stands, communication kits and stainless steel enclosures. Units will be installed by WTD personnel.

4. Vendor Name: ZAPS Technologies Address: PO box 2332 Corvallis, OR 97339-2332	5. Price: \$206208.75
---	--------------------------

6. Term of Contract: (mm/dd/yyyy) From: 11/01/2012 To: 6/30/2013	7. Prior Sole Source Ref No.
---	------------------------------

8. Feature: The good, service, or construction has the following unique features, characteristics, or capabilities:
 The ZAPS Technologies LiquiID Station 2000 has the ability to provide real-time measurements of wastewater constituents (contaminants) with greater accuracy than other measuring devices on the market, and can also measure constituents (contaminants) instantaneously that normally takes days to obtain a measured result. The device "samples" using various "lightwave" measurements, some of which on a molecular level, and in doing so the device does not alter the sample and does not require removal of the sample from the sampling stream.

9. Essential features. How the unique features, characteristics, or capabilities are essential for the agency to accomplish its work:
 The real-time measurement capability will allow the Sand Island WWTP to potentially react more quickly to a peak contaminant situation and be aware of the peak contaminant situation as it occurs. Currently, the only "warning" is after the fact when lab results are reported.

10. Alternate source. The following other possible sources for the good, service, or construction were investigated but do not meet our needs because:

There is not other manufacturer that provides this type of device.
ZAPS Technologies, Inc. is the sole source manufacturer and provider of the LiquID Station 2000.

11. Direct any inquiries to:

Department: ENV

Contact Name/Title: Leland Lee/Civil Engineer V

12 Phone Number:

(808)768-4481

Fax Number:

(808)848-6532

Expenditure may be processed with a purchase order: Yes No If no, a contract must be executed and funds certified.

Agency shall ensure adherence to applicable administrative and statutory requirements.

I certify that to the best of my knowledge, that the information provided above is true, correct, that there is no conflict of interest related to this procurement, and that the goods, services, or construction are available through only one source.

Resos. Tanine
Department Head
