Portability Information

To port your Section 8 Housing Choice Voucher to the City and County of Honolulu:

You must notify your current housing agency. Your housing agency will need to inform you as to what you need to do to “port out”.

Please inform your housing agency effective **January 1, 2015** that we will **not administer** your portable voucher until further notice. What that means is that if you find a unit here, we will be billing your current housing agency for your housing assistance payments.

You must comply with our subsidy standards. Our rule is two per bedroom except with reasonable accommodations. Although you may come with a particular voucher size, you may be issued a smaller voucher size from us in compliance with our rules and regulations.

The current payment standards are as follows:

Studio-0	One	Two	Three	Four	Five
1,260	1,374	1,810	2,667	3,061	3,520
