By the authority vested in me as the Mayor of the City and County of Honolulu, pursuant to the Revised Charter of the City and County of Honolulu 1973 (2000 Ed.), as amended ("**RCH**"); the Revised Ordinances of the City and County of Honolulu 1990, as amended ("**ROH**"); and Session Laws of Hawaii Act 111 (2014), I, Kirk Caldwell, Mayor, hereby proclaim, determine, declare and find the following:

WHEREAS, Act 111 (2014), Section _-13(b), provides that, in the event of a state of emergency or disaster in the City and County of Honolulu (the "**City**"), the Mayor may take action to relieve hardship and inequities, or obstructions to the public health, by suspending any county law that impedes or tends to impede or that may be detrimental to the health, safety and welfare of the public; and

WHEREAS, Act 111 (2014), Section _-13(b), provides that the Mayor may shut off water mains, gas mains, electrical power, or suspend other service to the extent permitted by federal law; and

WHEREAS, Act 111 (2014), Section _-13(b), further provides that the Mayor may direct and control mandatory evacuation of the civilian population; and

WHEREAS, Act 111 (2014), Section _-13(b), further provides that the Mayor may exercise any additional powers to the extent necessary to prevent hoarding, waste, destruction of materials, supplies, commodities, accommodations, facilities and services to effectuate equitable distributions as the public welfare may require; and

WHEREAS, Act 111 (2014), Section _-14, provides that the Mayor may declare the existence of a state of emergency in the City by proclamation if the Mayor finds that an emergency or disaster exists or that there is an imminent danger or threat of emergency or disaster; and

WHEREAS, as of the date and time of this Proclamation, the National Weather Service, Honolulu Forecast Office ("**NWS**"), has issued a Tropical Storm Warning for the City and County of Honolulu advising of the potential effects of Hurricane Iselle (the "**Emergency Condition**"); and

WHEREAS, the NWS anticipates that the most likely impacts resulting from the Emergency Condition will include persistent heavy rains, high surf, damaging winds, possible coastal flooding, and flash floods, causing a threat to human health, safety and welfare and resulting in the need to evacuate residents from some areas; and

WHEREAS, the City and County of Honolulu, Emergency Operating Center, has been activated to coordinate City disaster response activities; and

WHEREAS, the cumulative effects of the Emergency Condition have created or are anticipated to create a public calamity in the City;

NOW, THEREFORE, I, Kirk Caldwell, Mayor of the City and County of Honolulu, pursuant to the authority vested in me as the Mayor of the City and County of Honolulu as set forth above, in order to promote and protect the public health, safety, and welfare of the residents of the City and County of Honolulu, do hereby proclaim, determine, declare and find that:

1. a state of emergency or disaster has occurred or there is imminent danger or threat of a state of emergency or disaster in all or any portion of the City, as of the date and time of this Proclamation; and
2. the provisions, in whole or in part, of Hawaii Revised Statutes Chapter 103D and sections 103-50, 103-53, 103-55, 105-1 to 105-10, and 464-4 impede or tend to impede the expeditious discharge of the functions of emergency management, or that compliance therewith is impracticable due to existing conditions and, therefore, such provisions shall not apply to any such emergency management functions.

This Proclamation of Emergency or Disaster shall terminate on the first to occur of (1) sixty (60) days after the date of this Proclamation, or (2) issuance of a Proclamation issued by the undersigned, whichever occurs first.
