### Share your ideas!

Join your neighbors and brainstorm ideas for the communities surrounding the Aloha Stadium rail station. How can the new station create opportunities to improve safety and connectivity, and introduce affordable housing, jobs, and shopping choices? Help us understand your thoughts on:

- Pearl Harbor attractions, Aloha Stadium, & other landmarks
- The character of potential development around the station
- Sidewalk & street improvements
- Community & recreational facilities, parks, gathering places, & other community amenities

Tell us what works in your neighborhood, and what can be improved.
