DEPARTMENT OF TRANSPORTATION SERVICES**

# **CAR SHARING PARKING APPLICATION**

This application issued by Department of Transportation Services, City and County of Honolulu, invites and welcomes interested Carshare Operators (CSO) to startup, operate and maintain public carshare services using the city's off-street and on-street parking stalls. The City desires a long-term and successful relationship with all CSO.

The goal of the carshare program is to widen mobility choices which mutually supports and sustains each other like transit, biking or walking.
