Department of Transportation Services

Equal Employment Opportunity Program

July 2015 to July 2018

Revised October 2017

INTRODUCTION

The Department of Transportation Services (DTS) has established an Equal Employment Opportunity (EEO) program in accordance with the provisions of Section 19 of the Urban Mass Transportation Act of 1964 (UMT Act). DTS has received federal financial assistance from the Federal Transit Administration (FTA), and as a condition of receiving this assistance, DTS has signed an assurance with the FTA that it will comply with all the provisions of Section 19 of the UMT Act.

EEO PROGRAM

Section I – Purpose

General – No person in the United States shall, on the grounds of race, color, creed, national origin, sex, disability, or age, be excluded from participation in, or denied the benefits of, or be subject to discrimination under any project, program, or activity funded in whole or in part through federal assistance under Section 19 of the 1964 Urban Mass Transportation Act (UMT Act).

Compliance: The Department of Transportation Services (DTS) has established an Equal Employment Opportunity (EEO) Program to eliminate barriers and to promote equal opportunity in employment. The Director of the DTS is committed to the full compliance of this program. The position of Director is equivalent to the agency's chief executive officer as referenced in the Chapter III 2.c. of the Equal Employment Opportunity Program Guidelines for Grant Recipients, Circular UMTA C 4704.1.

Section II – Objectives

This program's objectives are:

1. To ensure that the DTS will not discriminate against any employee or applicant for employment because of race, color, creed, national origin, sex, age or disability.
2. To ensure that the DTS will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to race, color, creed, national origin, sex, age or disability. Such action shall include, but not be limited to: recruitment, selection, compensation, promotions, transfers, layoffs, terminations, training, benefits, and terms. The DTS shall also include a written, affirmative action plan as referenced in Section V Utilization Analysis, Goals & Timetables, designed to achieve full utilization of minorities and women in all aspects of the workforce.
3. To ensure that the DTS makes available to employees and applicants for employment, notices setting forth the DTS' EEO policy. In addition applicants/employees will be notified of the DTS' procedures for filing complaints of discrimination internally, as well as externally with the DTS' EEO Officer, the City's Equal Opportunity Office and/or the FTA Office of Civil Rights.

Section III – Definitions

For purposes of this policy, the following definitions will be used:

1. **Affirmative Action:** The methods and measures taken to correct imbalances in the work force and eliminate the effects of past discrimination employment practices.
2. **Affirmative Action Plan:** Means a written, detailed, results oriented set of procedures designed to achieve prompt and full utilization of minorities and women at all levels and in all parts of the recipient's workforce.
3. **Availability (Workforce):** Availability is an estimate of the number of qualified minorities and/or women available for employment in a given job group. Availability is determined to establish a benchmark against which the demographic composition of the workforce can be compared in order to determine whether barriers to equal employment opportunity may exist by job groups.
4. **Compliance:** Refers to a condition in which the FTA will find the DTS has met the requirements in circular UMTA C 4704.1, and there is no indication or evidence of discrimination on the basis of race, color, creed, national origin, sex, disability, or age.
5. **Concentration:** Means a higher representation of a particular group (e.g., Blacks, Hispanics, women, etc.) in a job category or department as compared to their representation in the relevant labor market.
6. **Contractor:** Means any entity or organization that has entered into a federally funded contract with the DTS.
7. **DTS:** Department of Transportation Services
8. **Discrimination:** Refers to any act, or any failure to act, that has the purpose or effect of limiting, excluding, or denying a person employment opportunity because of race, color, creed, national origin, sex, age or disability.
9. **EEO:** Equal Employment Opportunity. The availability of employment and advancement of all people on the basis of merit, capability, and potential, and without regard to race, color, creed, national origin, sex, age or disability. A concept which addresses Equal Opportunity for all persons in employment which includes recruitment, application processing, hiring, job placement, compensation, promotion, transfer, and termination.
10. **EEOC:** The Equal Employment Opportunity Commission.
11. **Equal Employment Opportunity Job Categories:** The DTS utilizes job categories as defined by the EEOC to organize DTS' jobs. EEO job categories, also known as job groups, are a means to separate various occupations into groups based upon job title, skill and knowledge, requirements, and level of responsibility involved. The City collects and reports workforce data using the following job categories that are specified by the EEOC to complete the EEO-4A report required of the City:

Officials/Administrators, Professionals, Technicians, Protective Services, Para-Professionals, and Administrative Support. DTS' transit-related employees are not aligned with all of these job categories. It is also noted that some of the aforementioned EEO-4A report-based job categories are similar to, but not all of them are the same as the EEO-1 (private sector) report-based job categories used by the U.S. Census.

12. **Equal Opportunity:** A system of practices under which individuals are not excluded from any opportunity or benefits because of their race, color, creed, national origin, sex, age or disability.
13. **FTA:** Federal Transit Administration.
14. **Goals:** As part of an affirmative action program, goals to eliminate employment discrimination and effects of past discrimination are required. Goals are specific, temporary and flexible.
15. **Job Group:** Aggregate job titles with similar work content, compensation and opportunities for advancement. Job groups are also associated with job categories also known as EEO categories.
16. **Job-Relatedness:** According to EEO court decisions, any criterion employed to determine whether a person will be hired, fired, transferred, promoted, given a salary increase, and so forth, must be directly related to job performance.
17. **Minority or Minority Group Persons includes the following:**
 - a. **Hispanic or Latino:** A person of Cuban, Mexican, Puerto Rican, South or Central American, or other Spanish culture or origin regardless of race.
 - b. **Black or African American (not Hispanic or Latino):** A person having origins in any of the Black racial groups of Africa;
 - c. **Asian (not Hispanic or Latino):** A person having origins in any of the original peoples of the Far East, Southeast Asia, the Indian Subcontinent, including for example, Cambodia, China, India, Japan, Korea, Malaysia, Pakistan, the Philippine Islands, Thailand and Vietnam.
 - d. **Native Hawaiian or Other Pacific Islander (not Hispanic or Latino):** A person having origins in any of the peoples of Hawaii, Guam, Samoa, or other Pacific Islands.
 - e. **American Indian or Alaskan Native (not Hispanic or Latino):** A person having origins in any of the original people of North and South America (including Central America), and who maintain cultural identification through tribal affiliation or community attachment.

18. **Noncompliance:** Means a failure to meet the requirements of FTA Circular UMTA C 4704.1 and guidance issued pursuant to the circular or failure to implement an approved EEO program.
19. **Placement Goals:** Placement goals serve as objectives reasonably attainable by means of applying every good faith effort to make all aspects of the entire affirmative action program work. Placement goals also are used to measure progress toward achieving equal employment opportunity.
20. **Present Effect of Past Practices:** The concept of present effects of past practices means that employers are liable today for events and decisions of the past. Because past discriminatory practices prevented women and minorities from acquiring the necessary experience or skills to be promoted or do certain jobs, they are considered to be suffering the present effects of past discrimination.
21. **Probable Noncompliance:** Refers to a condition in which the FTA has found that the DTS does not fully satisfy these requirements and has requested the DTS to take remedial or corrective actions to achieve compliance or has initiated an enforcement action against the DTS.
22. **Problem Area(s):** The identified cause of job group under representation found within a job group.
23. **Promotion:** The movement of an employee to a position and title having a higher maximum salary range than the position previously held.
24. **Retaliation:** To take adverse employment action against an individual because they have exercised their rights protected under law by complaining in good faith about discrimination, harassment, and/or retaliation, or assisted or participated in an investigation of such allegations.
25. **Selection Process:** Steps involved in employment or promotion decisions. Generally includes initial screening interviews; filling out applications; tests for employment; background and/or reference checks; actual interview for employment; and decision whether or not to hire or promote the individual.
26. **Subcontractor:** Means any entity or organization that has entered into a subcontract relating to a federally funded contract with a contractor to provide a service in connection with a program or activity initiated by the DTS.
27. **Timetables:** The time frame (in years) set for attaining measurable goals in an affirmative action program.
28. **Transit-related employee:** Is an employee of the DTS is involved in any aspect of an agency's mass transit operation funded by the FTA.

29. **UMTA Activity:** Means any program of assistance authorized by sections of the UMT Act; the Federal Aid Urban Systems Program, 23 U.S.C. 142(a)(2); and the Interstate Transfer Program 23 U.S.C. 103(4)(e).
30. **Underutilization:** Refers to a condition where there are fewer minorities and/or women in a particular job category or department than would reasonably be expected based on their presence in the relevant labor force.
31. **Workforce:** The total of all regular authorized positions within a department. Such positions include only regular full-time and part-time positions, excluding those specifically exempted by the appointing authority.

Section IV – Coverage

1. **General** – All programs administered by the FTA are subject to Section 19 of the UMT Act. These include the assistance programs authorized by the UMT Act, 23 U.S.C. 142(a)(2), and 23 U.S.C. 103(e)(4). These programs are also covered by the implementing regulations 28 CFR Part 42, Subpart F and 49 CFR Part 21. In addition, all recipients are required to comply with Part II, Section 110(a) of the FTA Standard Grant Contract. These obligations are to be re-delegated to any contractor/subcontractor in a federally funded contract. All employees, applicants, programs and activities are also covered by applicable Federal laws governing non-discrimination.
2. **Threshold Requirements.** The DTS, as a part of the City, is required to comply with program requirements as outlined in this policy if it meets the following thresholds:
 - a. Employs 50 or more transit-related employees. This is due to the addition of the Honolulu Authority for Rapid Transportation’s workforce and the oversight of their EEO program; and,
 - b. Requests and receives capital or operating assistance under Sections 2, 4(i), or 9 of the UMT Act; assistance under 23 U.S.C. 142(a)(2) or 23 U.S.C. 103(e)(4), or any combination thereof, in excess of \$1 million in the previous Federal fiscal year; or requests or receives planning assistance under Sections 8 and/or 9 in excess of \$250,000 in the previous Federal fiscal year.

The City and County of Honolulu exceeds both thresholds.

3. **Frequency of Update** – The DTS shall submit to the FTA an updated EEO submission on a triennial basis or as major changes occur in the workforce or employment conditions. At the discretion of the FTA Office of Civil Rights, less information may be requested where the DTS’ previously submitted EEO program has not changed significantly.

EEO Program Components

Overview - The sections that follow describe the components of DTS' EEO program in accordance with Section 19 of the UMT Act

Program Requirements

Section I - Policy Statement

Appendix A.

Section II – Dissemination

Internal Dissemination

A successful EEO Program requires effective communication. DTS' EEO Policy will be disseminated to Division Chiefs, and the department's Administrative Services Officer (ASO).

Management meetings will be held at least once a year to discuss the DTS' EEO program and its implementation. DTS will also hold a meeting once a year with those employees that are minority and female to get their suggestions on implementing and refining the EEO program.

Employees will have access to the full text of the EEO Program upon request and shall be informed of this right.

The EEO policy statement and EEO related posters will be posted in conspicuous locations seen by employees, applicants, and the public such as employee and department bulletin boards, including electronic sites.

The DTS Director will issue annual statements to affirm the EEO Policy to all employees, managers and supervisors. The policy, purpose and overall goals of the DTS' EEO Program will be communicated to new employees as part of their new employee orientation and included in the DTS Standard Operating Procedures.

External Dissemination

The EEO Policy as well as appropriate elements of the program will be available to external organizations.

Copies of the EEO Program will be provided to appropriate federal agencies upon request for regulatory compliance purposes.

The EEO Policy will be available upon request to individuals and organizations that represent persons of color, women, veterans and persons with disabilities.

DTS will ensure it presents itself, Oahu Transit Services, Inc. and Honolulu Authority for Rapid Transportation as an equal employment opportunity employer by including statements to that effect in all job announcements and advertisements.

The EEO Policy will be made accessible to the public by making hard copies available and posting electronic copies on the DTS' website (www.honolulu.gov/dts).

The EEO Policy will be provided upon request to appropriate groups (particularly those serving specific groups, i.e. minority groups, women and disabled).

Section III – Administration

1. The DTS Director shall be the DTS' EEO Director and the ultimate authority and responsibility for the implementation of the DTS' EEO Program. The DTS' EEO Director shall delegate duties to achieve the policy goals as necessary and have the following duties:
 - a. Final authority and responsibility for compliance with the DTS' EEO Program.
 - b. Delegate to the DTS' EEO Officer the responsibility for coordinating the overall administration of the DTS' EEO Program.

 - e. Review the qualifications of all employees to assure that minorities, women and persons with disabilities are given full employment opportunities for transfers, promotions, training, salary increases, and other forms of compensation.

- f. Participate in periodic audits to ensure that each division is in compliance (e.g. EEO Posters are properly displayed on all employee bulletin boards).
- g. Conduct and support career counseling for all employees.
- h. Ensure that the DTS' EEO policies and program, as outlined in this EEO Program Policy are carried out.

Section IV – DTS Organizational Chart

DTS FTA EEO Transit Employee Organizational Chart (Appendix B) with respective position salary codes. (Appendix B1).

Section V – Utilization Analysis, Goals & Timetables

Summary of Prior Years' Performance (October 2012 to October 2014)

In 2012, DTS' workforce comprised of 24 transit employees. Twenty-one or 88% were total minority and 12 employees or 50% were female. As of October 2014, the DTS workforce is 24 transit employees. The number of total minority employees in the workforce is 18 compared to 21 which represent a decrease of 14%. There are now 11 females or 46% of the total workforce compared to 12 which represents an 8% decrease.

In the Officials and Managers group in 2012, DTS had 100% minorities and 33% females. As of October 2014, DTS has 50% minorities and 25% females. A 2012 placement goal of hiring one person represented by either an underutilized minority or female was made for this group. DTS met this placement goal for females by hiring one female (Asian).

In the Professionals group, DTS had 86% minorities and 33% females. As of October 2014, these percentages remain unchanged. A 2012 placement goal of hiring two females was made for this group. DTS met this goal by hiring two females (Asian and Native Hawaiian/Pacific Islander).

In the Administrative Support Workers group, DTS had 80% minorities and 100% females. As of October 2014, DTS has 50% minorities and 100% females. A 2012 placement goal of hiring one person represented by either an underutilized minority or female was made for this group. DTS met this placement goal by hiring two females (White and Asian).

In the Technicians group, DTS had 100% each for minorities and females. As of October 2014, this remains unchanged. In 2012, no placement goals were made due to no anticipated available vacancies.

Over the past few years, DTS' recruitment efforts have included outreach efforts to minority and women's community groups such as, the Women's Transportation Seminar, and outreach to the local Hispanic community through the Hawaii Hispanic News.

The City collects and reports summarized data on the composition of our workforce using the racial/ethnic categories that are specified by the U.S. EEOC. As required by *EEOC Form 164A State and Local government Information (EEO-4A)* that is applicable to the State of Hawaii only, workforce data is collected and reported to the U.S. EEOC in accordance with the following racial/ethnic categories: White, Hawaiian and Part Hawaiian, Chinese and Korean, Filipino, Japanese, and Other. It is noted that these categories are not the same as the race/ethnic categories on which U.S. Census Bureau data is based, and, data for two or more races is not currently collected, as reflected in the U.S. Census Bureau 2006-2010 American Community Survey, EEO Tabulation (5-Year ACS Data). (Appendix C). A summary of this analysis and annual goals are shown in Appendices D, E, and E1. Goals will be evaluated annually to measure progress toward effectively achieving the projected goals and for reporting purposes (Appendices F, G, H, I).

2015-2018 Placement Goals

DTS conducted a utilization analysis using the U.S. Census Bureau 2006-2010 American Community Survey, EEO Tabulation (5-Year ACS Data, Honolulu County). DTS compared the representation of minorities and females in its workforce with the estimated availability of minorities and females qualified to be employed. DTS found that the percentage of minorities or females employed in a particular job group was less than what would reasonably be expected for all qualified persons available based on the ACS data.

The Whole Person rule was the method used for goal placement. A 2015-2018 goal was established when a job group's availability exceeded the current workforce within that group by one or more persons. This rule is based on the premise that the employer cannot recruit less than a whole person. Another consideration in determining a goal was whether there were anticipated available job vacancies for the job group.

DTS' utilization analysis was based on the following conditions:

The total number of transit related employees (twenty-four) on which the Affirmative Action Plan was based upon was a small number compared to the ACS data. Furthermore, the total number of transit related employees within each job category was even smaller compared to the ACS data, i.e. Officials and Managers (four persons), Professionals (fifteen persons), Administrative Support Workers (four persons) and Technicians (one person). This relatively smaller workforce and limited available positions may affect the findings.

DTS' 2015 goals:

Officials and Managers

Current workforce: (4) persons, 2 whites, 2 Asians and 1 female (Appendices J, J1)

This group's whole person rule percentage rate was 25%. The group's underutilization percentage was not equal to or greater than the whole person rate of 25%. No placement goal was required. In addition, there were no anticipated available vacancies. GOAL: No goal.

Professionals

Current workforce: (15) persons, 2 whites, 11 Asians, 2 Native Hawaiian/Pacific Islanders and five females (Appendices K, K1)

This group's whole person rule percentage rate was 7%. The group's underutilization percentage was greater than the whole person rate of 7% in whites and females. DTS set a placement goal of hiring at least two persons that is represented by an underutilized category in the whites and female categories by October 2017.

GOAL: (4) new persons (two white and two females).

There are currently four (4) vacancies in the professionals' job group. DTS' goal over the next three years is to work with the City's Department of Human Resources to broaden the applicant pool when approvals are given to fill each of the four available positions. NOTE: After October 2014, DTS recruited and hired 4 persons: 1 male (Asian), 3 females (White and two Asians) in this job group.

Administrative Support Workers:

Current workforce: 4 persons, 2 whites, 1 Asian, 1 Native Hawaiian/Pacific Islander, and 4 females (Appendices L, L1)

This group's whole person rule percentage rate was twenty-five percent (25%). The group's underutilization percentage was not equal to or greater than the whole person rate of 25%. No placement goal was required. There were no anticipated available vacancies. GOAL: No goal.

NOTE: After October 2014, a transfer of one person created a vacancy which resulted in the recruitment and hiring of one (1) person (female, Asian) in this job group.

Technicians:

Current workforce: 1 person: 1 Asian female (Appendices M, M1).

This group's whole person rule percentage rate was one-hundred percent (100%). The group's underutilization percentage was not equal to or greater than the whole person rate of 100%. No placement goal was required. There were no anticipated available vacancies. GOAL: No goal.

Recruitment

DTS believes that disseminating employment opportunity information is critical in the effort to fully utilize minorities and women in all aspects of our workforce. The summary of the DTS EEO category descriptions and EEO job categories are shown in Appendices N and O. DTS will continue its outreach efforts by pursuing minority and female population points of contact and centers of influence for those underutilized job groups, specifically the professionals group. It was determined that the reasonable recruitment area for the professional group was Honolulu because of its large population of qualified minorities and females, specifically at the local colleges. Data from DTS' past hires have shown that the Planner job series were filled from persons attending colleges in the Honolulu area. DTS will begin recruiting efforts at the local four and two-year colleges in the area, particularly collaborating with the business and arts and sciences departments.

As additional talent is needed, DTS' intention is to actively recruit from the available minority and women civilian work force for all vacant positions that are approved for filling. It will be made clear that DTS is available to provide whatever reasonable assistance is needed address any issues affecting the minority and/or women individuals during the application and hiring process.

DTS will continue its proactive approach to recruiting by attending and sponsoring job fairs, posting openings on the appropriate websites, and disseminating employment related information to all entries on our list. DTS will make it clear that we are an equal opportunity employer and will not discriminate against any applicant for employment because of race, color, creed, national origin, sex, disability, or age. DTS will actively solicit and encourage female and minority individuals to apply for open positions and to submit documents in anticipation of future hiring needs.

Section VI – Assessment of Employment Practices to Identify Causes of Underutilization: Affirmative Action to Remedy Problem Areas.

(October 2012 to October 2014)

The current employment practices and procedures are in accordance with the City's merit based civil service laws.

Recruitment and Selection

Every year DTS assesses department wide recruiting needs and initiates the appropriate hiring procedures for permanent civil service positions and temporary personal services contract positions. During this period, 30 candidates, 9 females and 21 males applied for positions in DTS. All of these positions were from the professional category (Table A). Refer to Exhibit 1 for a detailed breakdown of applicants by job categories. Position descriptions (PD) for each vacant position are reviewed in accordance with civil service requirements and submitted to the Director for approval via the ASO. It is also determined if the recruitment will be Internal (Inter or Intra

department) or Open (outside) competitive recruitment. As a practice, DTS conducts an open competitive recruitment for the majority of positions to be filled. Over the past two years, all of DTS' recruitment has been open competitive recruitment.

The City's Department of Human Resources (DHR) recruits candidates through various technical and media means, including email blasts to outside agencies and individuals. These email blasts are also sent to City agencies and employees. Other recruitment sources include social media such as, website announcements at www.honolulu.gov/hr, Twitter and Facebook. Annual city-wide outreach efforts in collaboration with DTS, includes community and college job fairs and presentations to minorities and women's groups, e.g. Women in Transportation Seminars (WTS).

After a list of candidates is prepared, an interview panel of three to five members is formed which is race and gender balanced. DHR provides a certified list of candidates to ensure that applicants meet the minimum qualifications. Prior to the interview, the ASO briefs the panel to ensure compliance with appropriate personnel procedures, including EEO requirements. During the interview, each applicant is observed by the panelists and the applicant's gender and race is documented. Race is broadly categorized into Chinese, Korean, Filipino, Japanese, Native Hawaiian/Part-Hawaiian, White (not of Hispanic/Latino origin), American Indian/Alaska Native, Black/African American, Pacific Islander, Hispanic/Latino, Other and Unknown.

Upon selection, a recommendation to hire is forwarded to the ASO who reviews and forwards the recommendation and the completed EEO clearance form (Appendix P) The EEO clearance form is signed by the DTS Director and co-signed by the EEO Officer. This form indicates whether the candidate is a new hire or a promotion, and provides the gender and race of each applicant; and gender and race of the panel members. Eleven persons were hired, 5 females and 6 males (Table A). Refer to Exhibit 2 for a detailed breakdown of applicants by job categories that were actually hired.

For promotional opportunities, all civil service employees pursuing higher classification positions are subject to the same recruitment and selection process. During this reporting period, 31 persons applied for promotional opportunities in DTS, 9 females and 22 males (Table B). Refer to Exhibit 3 for a detailed breakdown of applicants by job categories. These promotional opportunities were from the Officials and Managers, Professionals and Technicians job categories. No promotional opportunities were from the Administrative Support Workers. 7 persons were promoted through an open competitive recruitment 6 females and 1 male (Table B). Refer to Exhibit 4 for a detailed breakdown of applicants by job categories who were actually promoted.

Transfers

Transfers to other City agencies occur when an employee meets the minimum qualification requirements for the prospective position. The transfer will require prior approval of the Director. During this reporting period, no employees were transferred.

Benefits

All new employees are required to attend the DHR Benefits Processing Session which provides information about medical privileges and compensation details. Employees are also asked to self-proclaim their race on the EEO Survey (Appendix Q) for reporting purposes. In addition to the EEO Survey, employees are invited to voluntarily complete the DTS' EEO Employee Data Capture Sheet (Appendix R) to self identify their race and ethnicity for reporting purposes. All benefits are provided in accordance with collective bargaining and the civil service rules for eligible employees. They include vacation leave, sick leave, holidays, training and development, medical care (medical, dental, prescription drug and vision care), group life insurance, deferred compensation plan, retirement plan, commuter choice pre-tax benefits, parking and eligibility for employee assistance program. All new employees must also attend a civil service rules orientation regarding Workplace Violence and Sexual Harassment and Ethics.

Employee Development and Training

Training programs to improve employees' work knowledge, skills and abilities are provided by the DHR. DTS managers and supervisors assess subordinates' training needs and identify appropriate training opportunities. This includes training opportunities for career and professional enhancements.

Supervisors and managers are responsible in part to meet DTS' EEO program goals by promoting training and career counseling opportunities.

Compensation

Compensation adjustments are covered by applicable collective bargaining agreements or executive orders. Compensation adjustments shall be made in the following order: Step movement, negotiated wage increase, change to a new pay schedule, re-pricing, promotion, reallocation and other personnel actions.

Termination and Layoff

DTS may terminate the services of an employee for failure in the following areas: to qualify for probationary or permanent appointment to continue the employment; to meet minimum performance requirements or standards; to report to work for fifteen days without notifying DTS, or to return to work within fifteen calendar days following the expiration of an approved leave of absence. An employee may also be terminated for the following reasons: placement cannot be made for an employee affected by a layoff; employee submits a resignation prior to, during or after the completion of an investigation.

A regular employee subject to termination shall be given a pre-determination hearing and given written notice ten calendar days prior to the termination. A non-regular employee shall be informed of the reason for termination in writing or before the effective date. When there is an impending layoff because of lack of work, need, or funds, the affected employee shall be notified in writing at least ninety calendar days prior to the effective date.

During this reporting period, no employees were terminated or laid off.

Disciplinary Action

Any violation of the laws and rules of the civil service system, a criminal offense related to the employee's position, and/or drug usage may be cause for disciplinary action. Disciplinary action shall be imposed within a reasonable period of time and may be in the form of an oral reprimand, a written reprimand, or suspension with explanation of the violation.

If disciplinary action leads to a discharge from the service, a pre-determination hearing will be held where a regular employee shall be given an opportunity to respond in writing or in person as to why the disciplinary action should not be applied. When an employee is to be discharged, a written notice at least ten calendar days in advance shall be given indicating the reasons for the discharge, the findings of the pre-determination hearing, and the date of the discharge.

During this reporting period, one disciplinary action was taken involving an Asian male employee for an EEO related incident. A written reprimand was issued and it did not result in termination of the employee (Table C).

Employment Assessment

Under the current EEO plan, goals were identified for underutilized categories relating to either minority or female or both where there existed vacancies in a specific job category. Of the twenty-four transit related positions, potential vacancies were identified in Officials and Managers, Professionals and Administrative Support Workers job categories. The utilization analysis revealed underutilization in the Hispanics and female areas. Goals were established in these underutilized areas for these job categories to hire at least one individual represented by an underutilized category, i.e. Hispanics and females each year starting from 2013 - 2014. A review of the statistical data over the past two years indicates that 5 females were hired over the past two years. The five females consisted of 3 from the professionals and 2 from the administrative support workers areas. While this accounted for an increase in the hiring of females, the retirement or resignation of an equal amount contributed to a zero net gain of female employees. It was determined that DTS needs to continue its efforts to widen the job pool by hiring females, including the Hispanics by effectively targeting our recruitment efforts to these underutilized areas. However, based on this assessment and given the current workforce size and keeping with the City's employment practices and procedures, DTS does believe there are any significant employment barriers. Moreover, DTS is hopeful that the anticipated filling of future vacancies in the professional category would result in the recruitment and hiring of persons from these underutilized areas.

DTS will continue its recruitment program by compiling an ongoing list of minority businesses and community associations; women's groups and professional organizations; schools and colleges placement offices to encourage employment interest and participation. DTS has recently established a direct link to the Hawaii Hispanic community by making available city-wide job postings via the Hawaii Hispanic

News facebook page. In addition, DTS has been an active participant in the WTS local chapter. WTS is an international organization committed to building the future of transportation through the global advancement of women through professional programs, networking opportunities, including access to industry and government leaders. Through our networking, DTS has participated in WTS' annual forums and job fairs.

Our analysis also revealed that the source of the majority of successful hires from the professional category, specifically the planner position series, originated from the university community. To this end, DTS will focus on targeting university campuses for potential recruitment of female and Hispanics candidates in this job category. At the University of Hawaii, and local private colleges, DTS will now work with their career centers to establish direct employment links to the City to encourage interest in city transportation career opportunities, particularly in the planner series.

Section VII - Monitoring and Reporting System

DTS has an internal EEO monitoring and reporting system which reviews progress annually. The EEO Officer will be responsible for implementing and updating the program, as necessary.

1. Job Description

The EEO Officer will work with the DHR to annually review classification plans to ensure that positions are allocated the appropriate classification. The EEO Officer will also review all job descriptions before the position is posted.

2. Filling of DTS Positions

The EEO Officer will work closely with the DHR, DTS personnel offices, minority and female community organizations, and other organizations to ensure fair and equal treatment of all races and genders for the filling of DTS positions. The EEO Officer will review and ensure that all hiring announcements and literature to be disseminated through the email listing will promote an environment of inclusion to all applicants.

3. Placement Procedures

The EEO Officer will review and monitor DTS recruitment and placement procedures to ensure that no discriminatory practice exists. The EEO Officer will also work closely with management and DTS personnel officers to review and validate as needed, any written tests and selection methods to ensure that they comply with EEO/AA laws and regulations. An analysis of the applicant flow, including review of the application form (Appendix S), selection, rejection, and appointment process will be reviewed as needed.

4. Promotions

All promotions should be done in a fair and non discriminatory manner and should provide for equal opportunity for all persons based on merit and without regard to race, color, creed, national origin, sex, age or disability.

Section VIII - Discrimination Complaints

Any person who believes that he or she, individually, or as a member of any specific class of persons, has been subjected to discrimination on the basis of race, color, creed, national origin, sex, age or disability may file a written complaint with the DTS' EEO Officer or the City's Equal Opportunity Office (EOO) and/or FTA Office of Civil Rights.

The final determination of all EEO complaints filed with the DTS will be made by the DTS.

Submission of Complaints

1. Filing Complaints of Discrimination

- a. Complainants may submit written complaints to the DTS' EEO Officer or the City's EEO and/or FTA Office of Civil Rights.
- b. In cases where the complainant is unable or incapable of providing a written statement, but wants the DTS to investigate alleged discrimination, a verbal complaint of discrimination may be made and the complainant will be provided assistance in filing the complaint.

2. Complaint Format

- a. Complaints shall state, as fully as possible, the facts and circumstances surrounding the alleged discrimination. The DTS has developed a Complaint Form for Reporting Discrimination, Harassment or Sexual Harassment and the DTS Complainant Consent/Release Forms (Appendices T, U) for this purpose to assist in the process. Forms can be obtained from the EEO Officer at the DTS offices located at 650 South King Street, 3rd Floor, Honolulu, Hawaii 96813 or online at the DTS' website: www.honolulu.gov/dts.html. Complaints can also be filed by going to the City's EEO website: www.honolulu.gov/hreohome/filecomplaint.html.
- b. The EEO Officer will provide the complainant or his/her representative with a written acknowledgement that the complaint was received, within ten (10) working days from the date it was received.

3. Notification of Disposition

The EEO Officer shall notify the complainant of the disposition within five (5) days by registered letter the decision to investigate or not investigate the complaint:

- a. If the decision is to investigate, the notification shall state the jurisdiction, inform the parties that an investigation will take place, and request any additional information needed to assist the investigator in preparing for the investigation.
- b. If the decision is to not investigate, the notification shall specifically state the reason for the decision.

4. Complaint Investigation

- a. DTS Investigation. The DTS will conduct an investigation appropriate to the level of complaint filed.
- b. Priority Complaints. All incoming complaints shall be examined to determine if the discrimination alleged would be irremediable if not dealt with promptly. If such a determination is made, the complaint shall be given priority status. The processing, investigation, and determination of such complaints shall be accelerated to advance significantly the normal completion date of the process.
- c. Investigator's Preparation. Before beginning the investigation, the investigator shall send a letter of introduction, establishing the times and dates for the investigation and interviews. This preparation shall be completed within 30 working days after the assignment has been given to the investigator, contingent upon the investigator's workload and resources.

5. Investigative Report

A written report will be prepared by the responsible investigator at the conclusion of the investigation. This report will be reviewed by the EEO Officer and final determination to be made by the Director of DTS. The investigative report will include the following:

- a. Statement from named accused if an individual is "named" and/or the responsible official when a procedure or process is the focus of the complaint.
- b. Response by the named accused and/or the responsible official, as applicable.
- c. Description of the investigation, including a list of the persons contacted by the investigator and a summary of the interviews conducted.
- d. Statement of the investigator's findings and recommendations.

6. Disposition of Complaints

Any violations of this policy may result in disciplinary action, up to and including termination. All applicants and employees should follow the above procedures in dealing with possible discrimination.

7. Non-Retaliation

Retaliation against an individual who files a charge of discrimination, participates in a discrimination proceeding, or opposes an unlawful employment practice is prohibited.

**DEPARTMENT OF TRANSPORTATION SERVICES
POLICY STATEMENT ON
EQUAL EMPLOYMENT OPPORTUNITY
December 16, 2016**

The Department of Transportation Services (DTS) has a strong commitment to the community we serve and our employees. As an equal opportunity employer, we strive to have a workforce that reflects the community we serve. No person is unlawfully excluded from employment opportunities based on race, color, religion, national origin, sex (including gender identity, sexual orientation, and pregnancy), age, genetic information, disability, veteran status, or other protected class.

DTS' Equal Employment Opportunity (EEO) policy applies to all employment actions, including but not limited to, recruitment, hiring, selection for training, promotion, transfer, demotion, layoff, termination, rates of pay or other forms of compensation.

All applicants and employees have the right to file complaints alleging discrimination. Retaliation against an individual who files a charge or complaint of discrimination, participates in an employment discrimination proceeding (such as an investigation or lawsuit), or otherwise engages in protected activity is strictly prohibited and will not be tolerated.

DTS is committed to providing reasonable accommodations to applicants and employees who need them because of a disability or to practice or observe their religion, absent undue hardship.

As DTS' Director, I maintain overall responsibility and accountability for DTS' compliance with its EEO Policy and Program. To ensure day-to-day management, including program preparation, monitoring, and complaint investigation, I have appointed Mr. Don Hamada, email: dhamada@honolulu.gov at 808-768-8310 as DTS' EEO Officer. Mr. Hamada will report directly to me and acts with my authority with all levels of management, labor unions, and employees.

All DTS management and supervisory personnel, however, share in the responsibility for implementing and monitoring DTS' EEO Policy and Program within their respective areas and will be assigned duties to ensure compliance is achieved. DTS will evaluate its managers' and supervisors' performance on their successful implementation of DTS' policies and procedures, and their efforts will be evaluated annually.

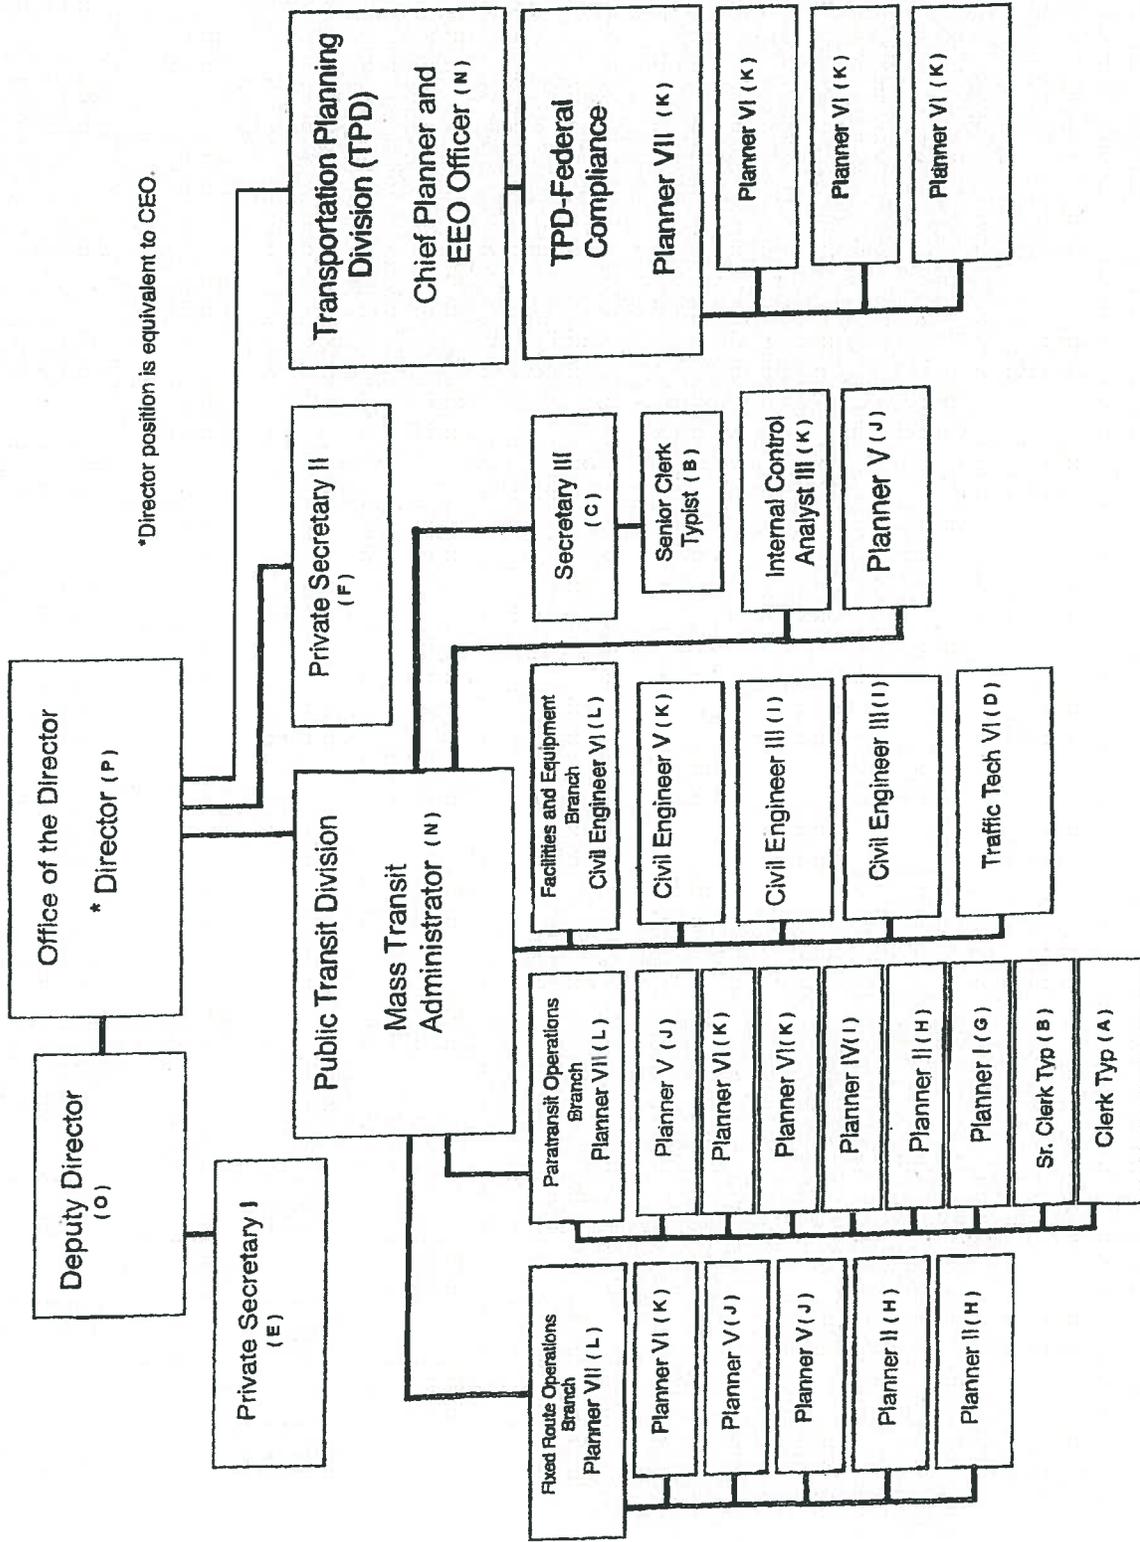

DTS is committed to undertaking and developing a written nondiscrimination program that sets forth the policies, practices and procedures, with goals and timelines, to which the agency is committed and make the EEO Program available for inspection by any employee or applicant for employment upon request.

I am personally committed to a workplace that acts upon its daily responsibility to treat all applicants and employees with dignity and respect, as well equitably under the guidelines of our EEO Policy and Program.

The Whole Person Rule was used to conduct the utilization analysis and goal placement. A goal is established when a job group's availability exceeds the current workforce within that group by one or more persons. This rule is based on the premise that the employer cannot recruit less than a whole person.

A: Underutilization percentage is less than the Whole Person Rule percentage rate.

B: No anticipated available vacancies in this job group.

Percent distribution of the civilian labor force by EEO-1 job categories, sex, and race (%A = Percent available) is based on data obtained from the following source: U.S. Census Bureau, 2006-2010 American Community Survey, EEO Tabulation (5-Year ACS data). A placement goal is not an admission of illegal or discriminatory conduct, nor a lack of good faith efforts taken towards affirmative action. Any placement goal is for affirmative action purposes to target and make good faith efforts toward that goal to increase the percentage of minorities and/or women in the workplace.

NOTE: The City and County of Honolulu does not collect workforce demographic data on the “2 or more races” category. While employees may voluntarily self-identify with a broad “Other” race/ethnic category (defined as persons who do not identify with the Chinese, Korean, Filipino, Japanese, Native Hawaiian/Part Hawaiian, White [not of Hispanic/Latino origin], American Indian/Alaska Native, Black/African American, Pacific Islander, or Hispanic/Latino categories), they are not asked to specify what is their “Other” race/ethnic category

This report reflects the distribution and composition of DTS' work force by the EEO categories. The data provides a snapshot of the total number of employees throughout DTS by race/ethnicity and gender for each of the applicable EEO categories. The Civilian Labor Force (CLF) represented is from the U.S. Census Bureau, 2006-2010 American Community Survey, EEO Tabulation (5-Year ACS Data).

NOTE: The City and County of Honolulu does not collect workforce demographic data on the "2 or more races" category. While employees may voluntarily self-identify with a broad "Other" race/ethnic category (defined as persons who do not identify with the Chinese, Korean, Filipino, Japanese, Native Hawaiian/Part Hawaiian, White [not of Hispanic/Latino origin], American Indian/Alaska Native, Black/African American, Pacific Islander, or Hispanic/Latino categories), they are not asked to specify what is their "Other" race/ethnic category.

DTS EEO Category Descriptions

The major job categories are listed below, including a brief description of the skills and training required for occupations in that category and examples of the job titles that fit each category. The examples shown below are illustrative and not intended to be exhaustive of all job titles in a job category. These job categories are primarily based on the average skill level, knowledge, and responsibility involved in each occupation within the job category.

1) Officials and Managers. Individuals who plan, direct and formulate policies, set strategy and provide the overall direction of enterprises/organizations for the development and delivery of products or services, within the parameters approved by boards of directors or other governing bodies. Residing in the highest levels of organizations, these executives plan, direct or coordinate activities with the support of subordinate executives and staff managers. They include the Director, the Deputy Director, the Mass Transit Administrator and the Chief Planner.

2) Professionals. Most jobs in this category require bachelor and graduate degrees, and/or professional certification. In some instances, comparable experience may establish a person's qualifications. Examples of these kinds of positions include: Planner I, Planner II, Planner IV, Planner V, Planner VI, Planner VII; Civil Engineer I, Civil Engineer III, Civil Engineer V, Civil Engineer VI and Internal Control Analyst.

3) Administrative Support Workers. These jobs involve nonmanagerial tasks providing administrative and support assistance, primarily in office settings. Examples of these types of positions include: Private Secretary I, Private Secretary II, Secretary III; Senior Clerk Typist and Clerk Typist.

4) Technicians. Jobs in this category include activities that require applied scientific skills, usually obtained by post secondary education of varying lengths, depending on the particular occupation, recognizing that in some instances additional training, certification, or comparable experience is required. Example of these types of positions is Traffic Technician.

EQUAL EMPLOYMENT OPPORTUNITY SURVEY

General Information

The City and County of Honolulu (City) is subject to certain governmental recordkeeping and reporting requirements for the administration of civil rights laws and regulations. In order to comply with these laws, the City invites employees to voluntarily self-identify their race and ethnicity, using categories specified by the Equal Employment Opportunity Commission (EEOC) and federal agencies that grant financial assistance to the City. [Reference: Public Law 86-352, Titles VI and Title VII of the Civil Rights Act of 1964, as amended by the Equal Opportunity Act of 1972; Executive Order 11246.] Submission of this information is voluntary and refusal to provide it will not subject you to any adverse treatment.

This information will be kept confidential and will only be used in accordance with the provisions of applicable laws, executive orders, and regulations, including those that require the information to be summarized and reported to the federal government for civil rights enforcement. When reported, data will not identify specific individuals. If an employee declines to complete this survey, a race/ethnic category will be assigned by visual survey and according to applicable regulations.

DTS COMPLAINANT CONSENT/RELEASE FORM

Your Name: _____

Address: _____

Please read information below, initial the appropriate space, and sign and date this form on the lines at the bottom of this form.

As a complainant, I understand that in the course of a preliminary inquiry or investigation it may become necessary for the Department of Transportation Services (DTS) to reveal my identity to persons at the organization or institution under investigation. I am also aware of the obligations of DTS to honor requests under the Freedom of Information Act. I understand that it might be necessary for DTS to disclose information, including personally identifying details, which it has gathered as a part of its preliminary inquiry or investigation of my complaint. In addition, I understand that as a complainant I am protected by federal regulations from intimidation or retaliation for having taken action or participated in action to secure rights protected by nondiscrimination statutes enforced by the federal government.

CONSENT/RELEASE

 Initial on the above
 If you give consent

CONSENT GRANTED: I have read and understand the above information and authorize DTS to reveal my identity to persons at the organization or institution under investigation and to other Federal agencies that provide Federal financial assistance to the organization or institution or also have civil rights compliance oversight responsibilities that cover that organization or institution. I hereby authorize DTS to receive material and information about me pertinent to the investigation of my complaint. This release includes, but is not limited to, applications, case files, personal records, and medical records. I understand that the material and information will be used for authorized civil rights compliance and enforcement activities. I further understand that I am not required to authorize this release and I do so voluntarily.

 Initial on the above
 if you deny consent

CONSENT DENIED: I have read and understand the above information and do not want DTS to reveal my identity to the organization or institution under investigation, or to review, receive copies of, or discuss material and consent information about me, pertinent to the investigation of my complaint. I understand that this is likely to make the investigation of my complaint and getting all the facts more difficult and, in some cases, impossible, and may result in the investigation being closed.

C. Disciplinary Actions and Terminations

(October 2012 to October 2014)

All DTS employees are subject to collective bargaining agreement and civil service rules applying to all disciplinary actions and terminations. During the reporting period, one disciplinary action occurred (12/31/12) involving an Asian male which resulted in a written reprimand. This action did not result in the termination of the employee.
