

GENERAL CONDITIONS:

1. To install, provide, and maintain all traffic control devices in accordance with the "Administrative Rules Governing the Use of Traffic Control Devices at Work Sites on or Adjacent to Public Streets and Highways" as adopted by the State Director of Transportation, Section 286-8 Hawaii Revised Statutes and also the provision of Ordinance No. 4650 (Traffic Code), as amended, where applicable.
2. To comply with the provisions of this permit and to take all necessary and reasonable precautions to maintain the safety for the public and to be responsible for all liability for personal or property damage which may occur in connection with this permit. And in the event any claim is made against the City and County of Honolulu or division, officer, or employee thereof through, by reason of, or in connection with any such act or omission, the applicant shall indemnify and hold them and each of them harmless from such claim.
3. To surrender this permit and surrender all rights thereunder whenever notified to do so by the City and County of Honolulu. The City and County of Honolulu may cancel this permit at any time.
4. To keep a copy of this permit readily available for exhibit upon request by any authorized representative of the Department of Transportation Services or police officer.
5. Any City and County of Honolulu representative or police officer has the right to stop any portion or all of the work or activity being performed under this permit if the work or activity is being conducted in an unsafe or unauthorized manner. The work or activity will not be allowed to continue until the deficiency has been corrected.
6. This permit not valid when a parade and/or special event is scheduled in the area.
7. To remove all equipment and unused material upon completion of the work, and repair any damages and leave the surface in a clean, safe, usable and presentable condition.
8. To diligently prosecute the work to completion, in a neat and workmanlike manner, within the dates and conditions set forth under this permit so as to minimize any inconvenience or interference to the public or traffic movements.
9. All signs, markers, barricades, cones, lights, and other devices employed indicating the existence of special conditions and activities shall be kept in proper position during the existence of such special conditions and activities. Signs that do not apply to existing conditions and activities shall be removed or covered. Damaged, defaced or dirty signs shall not be used. All traffic signs, post, and pavement markings disturbed and/or damaged by the applicant shall be replaced, and/or repaired before the end of his work day.
10. "No Parking" signs erected by the applicant shall be in place a minimum of 24 hours prior to its implementation. Signs must state the days/dates and times of the prohibition and reflect the conditions set on this permit.
11. During non-working hours, all excavations on the roadway and sidewalk area shall be covered with a safe non-skid bridging material and opened for normal use.
12. Before any person, company (other than any governmental agency) encloses, obstructs or causes to be enclosed or obstructed any parking meter space or portion thereof, incidental to erecting, constructing, enlarging, altering, repairing, moving, improving, removing, converting or demolishing any building or structure, such person or company, shall pay to the Department of Transportation Services a parking meter fee. Parking meter fees shall be payable in full at the time of issuance of the permit, make checks payable to City Director of Finance.
13. Driveways shall be kept open unless the owners of the property using these right-of -way are otherwise provided for satisfactorily.
