WATER METERS ON THIS PROPERTY:

The purpose of this form is to re-apply for the sub meter program after the account holder has been removed from the program due to not reporting timely meter readings for two months or more.

Owner's Affidavit

"I have read, understand and agree to the terms and conditions contained in "Sub Meter Program Information" (available on our website). It is the Owner's responsibility to turn in the monthly Submeter Readings on a timely basis. If a reading is not turned in, you will be charged Sewer rates against 100% of your water consumption. Failure to turn in the readings for 2 consecutive months and the City's Environmental Service Department will have the option of removing you from the Submeter Program. I certify that all the information shown on the plans for this property has been personally verified and are true and accurate. The implementation of the submeter system has not changed since the plans were originally approved.
