ENVIRONMENTAL SERVICES  
CITY AND COUNTY OF HONOLULU

**FOR IMMEDIATE RELEASE**

**Dec. 29, 2009**

## **NO REFUSE PICKUP NEW YEAR'S DAY**

*(Tuesday, Dec. 29, 2009)* – The City's Department of Environmental Services reminds residents that their garbage will not be picked up on Friday, Jan. 1, 2010, New Year's Day.

If you are on twice-a-week refuse collection and your pickup day falls on New Year's Day, please hold your items for the next scheduled collection day.

Communities that use the new 3-cart curbside recycling program, with once-a-week refuse and once-a-week recycling pickup, are asked to leave their gray carts curbside and those will be collected either on the next 1-2 days – Saturday or Monday (excluding Sunday). Please leave the gray cart at the curb until serviced.

Please hold mixed recyclables (blue) and green waste (green) carts for the next scheduled pickup.
