A Message from the Mayor of Honolulu . . .

OFFICE OF THE MAYOR
CITY AND COUNTY OF HONOLULU

MAYOR'S MESSAGE

I hope that you enjoy and learn from this "Firefighter's Safety Guide" published by the Honolulu Fire Department for use by the fire departments on all of the Hawaiian Islands.

Each of us should be prepared to fight a fire. We start by practicing safety measures both to prevent fires and to take the proper action if a fire starts in our home, classroom or workplace.

I encourage each of you to draw a fire escape plan for your home. Such a plan is very important and has saved local families from being trapped in their homes.

No one wants to be in a burning building full of smoke, but if this happens to you, this activity book will have taught you how to survive.

Jeremy Harris
JEREMY HARRIS, Mayor
City and County of Honolulu

A MESSAGE TO STUDENTS AND PARENTS...

Fire Department

DEAR STUDENTS:
Fire can be very scary if you aren't prepared for an emergency. This activity book can help you and your family be prepared for fire emergencies. You and your parents should work on these activities together, and when you're done, turn it in to your teacher. Work hard and have fun.

Love,
Sparky

DEAR PARENTS:
It is important that children of all ages are aware of fire safety. Please help your child complete this activity book and talk about fire preparedness and a safe meeting place with your whole family. Activity books should then be signed by you and returned to school.

Mahalo,
Sparky
