A Message from the County Fire Chiefs . . .

We hope that you enjoy and learn from this "Firefighter's Safety Guide" published by the county fire departments on all of the Hawaiian Islands.

Everyone should be prepared in case of a fire. You could start by practicing safety measures both to prevent fires and to take proper action if a fire starts in your home, classroom or workplace.

We encourage each of you to draw a fire escape plan for your home. Such a plan is very important and has saved local families from being trapped in their homes.

When an emergency arises and every moment is important, a child needs to recall the actual motions that are outlined in the "Fire Fighter's Safety Guide".

Our warm personal regards to all of our participating students. May you all have a fire safe year.

A MESSAGE TO TEACHERS, STUDENTS & PARENTS

Hi! I'm Sparky, the Safety Mascot for the Fire Department. I was given to the Fire Department as a gift from all of the children in Hawaii.

DEAR TEACHERS:
Please look over the work that your students have done and discuss fire safety with your class. Through your efforts lives have been saved because people were prepared to handle fire emergencies. We appreciate all you do to help our children be prepared for emergencies.
Mahalo,
SPARKY

DEAR PARENTS:
It is important that children of all ages are aware of fire safety. Please help your child complete this activity book and talk about fire preparedness and a safe meeting place with your whole family. Activity books should then be signed by you and returned to school.
Mahalo,
SPARKY

DEAR STUDENTS:
Fire can be very scary if you aren't prepared for an emergency. This activity book can help you and your family be prepared for fire emergencies. You and your parents should work on these activities together, and when you're done, turn it in to your teacher.
Work hard and have fun!
Love,
SPARKY

CHILDREN ENJOY PLAYING WITH TOYS. CIRCLE THE ITEMS THAT ARE DANGEROUS IN THE HANDS OF YOUNG CHILDREN.

PARENT AND TEACHER HINT:

Playing with matches or lighters is one of the leading causes of accidental fires started by children. Matches or lighters are not toys for children. Besides the property loss, many children get seriously burned while playing with these devices. Please encourage them to stay away from these items.
