Assembly

An assembly permit is required only if the occupant capacity is 300 or more persons. The plan shall include a floor plan indicating the gross square footage; seating arrangement, if more than one seating configuration is used; occupancy capacity; aisle widths; and exits and access ways to exits and shall comply with other fire code requirements.

Flammable/Combustible Finish

The plan shall indicate the location of the flammable/combustible storage, exits from spraying/dipping areas, and a fixed fire extinguishing system and comply with other fire code requirements.

Applicant's Signature: _____

This application shall not be construed as an authority to violate, cancel, or set aside any of the provisions of the Fire Code of the City and County of Honolulu or substitute for any license required by law.
