Diamond Head/Kapahulu/St. Louis Heights Neighborhood Board No. 5 community notice:

The City & County of Honolulu has money to loan homeowners for purchasing solar water heating systems. Interest charged on these loans is 0 percent for low-income families and 2 percent for middle-income families. Loans are repaid with the savings your solar collectors provide, which HECO estimates at 20 to 30 percent of your total electric bill. After the loan is paid off, you will benefit from lower bills.

For more information and application blanks, call the City & County of Honolulu Rehabilitation Loan Branch at 523-4207.
