1. Da Bus - This free application takes the guesswork out of catching the bus on the island of Oahu. It uses the near real-time arrival information, courtesy of Oahu Transit Services (OTS), to provide the best estimated time on when the next bus will arrive. The application also tracks the current location of the bus you are interested in by using the Global Positioning System (GPS) device installed on many of the buses. In addition, it also provides options to explore different bus routes and take a virtual ride to better understand its route. This application is currently available on iPhone, and an Android version is forthcoming.
2. Honolulu 311 - Honolulu 311 is a real time mobile civic engagement platform. Honolulu 311 provides a free, simple, and intuitive platform empowering people to report broken streetlights, derelict or abandoned automobiles, stored property violations, and more via your smart phone. A picture tells a thousand words and Honolulu 311 makes it a snap. The application uses the Global Positioning System (GPS) in your smart phone to show the location of your report. Download it today it's free! This application is available for iPhone, Android and Blackberry.
3. Honolulu Tsunami Evacuation - In the event of an emergency, time is of the essence. The free Honolulu Tsunami Evacuation Zones application allows you to quickly and easily discover if you are in a tsunami evacuation zone. Search for your friends and family's addresses to see if they fall within an evacuation zone. Find the nearest evacuation shelter. This application is available on iPhone and Android, and Blackberry Playbook.
