RESOLUTION
Supporting Bill 39 – Regulation of Sidewalks

WHEREAS, the primary purpose of a sidewalk is for the efficient movement of people, the safety of the people, the efficient delivery of goods and services, as well as for access to public spaces for lawful use; and

WHEREAS, the Council of the City & County of Honolulu is considering, via Bill 39, a protected use zone dedicated to, and protected for, the use of pedestrians so that the public is able to use sidewalks as places of permitted commerce as stated above; and

WHEREAS, public sidewalks are a public service and pedestrian facility, designed and operated with accessibility standards as in the *Architectural Barriers Act of 1968*; the *Rehabilitation Act of 1973 (Section 504)*; and the *American Disabilities Act of 1990* and must accommodate pedestrians of all abilities; now therefore

BE IT RESOLVED, that the McCully – Mo'ili'ili Neighborhood Board No. 8 supports the intent of Bill 39 so that no person may deposit, install, place, fix or leave any objects or items in a Pedestrian Use Zone; and

BE IT FURTHER RESOLVED, that copies of this Resolution be transmitted to Mayor Carlisle, the Managing Director, all Council members and to all neighborhood Boards.

WHEREAS, members of the McCully – Mo'ili'ili Neighborhood Board No. 8 have completed a two (2) walk / study of our community; and in this two (2) year project curb cuts were missing at 97 sidewalks in 33 intersections leading directly to neighborhood public elementary and middle schools; and

WHEREAS, these missing curb cuts provide a danger in the event of evacuation of these schools to students with disabilities, as seen in two (2) years of monitoring school evacuation drills; even though public sidewalks must accommodate pedestrians of all abilities; and

WHEREAS, funding through the State of Hawaii, Safe Routes to School (SRTS) program are available; and

WHEREAS, funding of these Safe Routes to School (SRTS) projects has to be pre-paid and projects completed before the state Dept. of Transportation will reimburse; and

BE IT RESOLVED, that the City & County, Department of Transportation Services (DTS) partner with the state Department of Transportation (DOT) to utilize Safe Routes to School (SRTS) funds to immediately begin a curb cut program for the 33 intersections identified, and 97 curb cuts needed for our disabled students, and for the general public, according to standards found in the Architectural Barriers Act of 1968, the Rehabilitation Act of 1973 and the American Disabilities Act of 1990; and

BE IT FURTHER RESOLVED that the City & County of Honolulu provides the necessary funds for these curb cuts, provide the necessary paperwork and documentation to the state Department of Transportation, and have the state reimburse the City & County of Honolulu for this work via Safe Route to School funding; and
