Community Garden 50th Anniversary Celebration

Sept 13th 10am to 2pm

at Foster Botanical Garden

The 50th Anniversary Celebration is a rare and special occasion for all of our gardens to come together and celebrate the common bond that unites us—our shared love of gardening and deep connection to the ʻāina. Come join in the fun on Saturday September 13th.

New Rules & Regulations Workshop

All community gardeners are invited to attend one of the upcoming workshops discussing the new Rules & Regulations governing the Community Garden Program.
We are offering 2 workshops that will be offered both in person at Foster Botanical Garden and virtually on Zoom.

Thursday August 7th at 5:30 to 7pm
Saturday August 9th at 2:00pm-3:30pm

This is a great opportunity to learn more about the new rules, ask questions and get clarification. Scan QR code to register.

July–September Garden Tips: Maintain & Prep for Fall

Summer's peak is the time to care for what's already growing. Skip planting new seeds and focus on maintenance instead. Deadhead flowers to encourage blooms, cut back perennials, and thin or divide irises and other perennials.. Harvest summer crops regularly and remove any finished annuals.

Now's also a great time to start planning your fall garden—prep your beds and make a list of cool-season veggies to plant once the weather cools down. A little effort now keeps your garden thriving through the seasons!
