** Administrator's Note: Due to a lack of public facilities, district/precinct 24/01 was to be operated as a consolidated polling place. However, subsequent post election interviews with precinct chairpersons revealed that instead, district/precinct 23/6 was operated as the consolidated polling place thus attributing to the anomalous overage/underage. According to precinct chairpersons, the second set of pollbooks (for District/Precinct 23/06) was transferred to 24/01 before the opening of polls.
