Aloha Licensees,

With the recent increase in Opioid-related overdoses and deaths, [Bill 28 \(2023\)](#) was recently passed, requiring NARCAN®/Naloxone HCl, an opioid-reversal medication, to be carried at on-premise liquor-licensed establishments. Below are the Included Businesses that will need to be in compliance by January 1, 2024:

- Class 2: Restaurant licenses;
- Class 5: Dispenser licenses;
- Class 9: Tour or cruise vessel licenses;
- Class 11: Cabaret licenses;
- Class 14: Brewpub licenses; and
- Class 18: Small craft producer pub licenses.

The Honolulu Liquor Commission will start distributing FREE starter kits to all included businesses starting on August 1, 2023, while supplies last. Starter kits will be offered to Included Businesses on a first come, first served basis. These businesses will receive one starter kit per establishment.

Attached is an informational flier about opioid use and how to use the NARCAN®/Naloxone HCl kits. Additional information about opioids and the NARCAN®/Naloxone HCl can be found:
