August 15, 2018

TO ALL PROSPECTIVE OFFERORS:

The following is hereby made and incorporated as part of Solicitation No. RFQL-ENV-1800004:

In accordance with HAR ("Hawaii Administrative Rules") §3-122-96(a)(2)(C), a solicitation may be cancelled after opening but prior to award if the goods, services, or construction being procured are no longer required.

The needs of the City have changed and therefore the services are no longer required, since the termination point of the trunk sewer cannot be determined at this time.

An opportunity will be given to compete on any re-solicitation or any future procurement of similar goods.
