SPECIAL PUBLIC SAFETY AND WELFARE COMMITTEE MEETING NEXT WEEK

The Honolulu City Council's Committee on Public Safety and Welfare (PSW) will be holding a Special Meeting on Thursday, March 19, 2020, at 10 a.m. in the Council Chambers to provide the public with information on the City's COVID-19 response and coordination.

While in-person participation in the legislative process is usually welcomed, PSW Committee Chairman and Councilmember Tommy Waters feels it's prudent to encourage those interested in testifying to submit their testimony online and view the upcoming meeting online or by going to Olelo, Channel 54

"For everyone's safety due to the COVID-19 public health crisis, I strongly encourage everyone to be mindful and exercise social distance and safety precautions whenever possible," said Committee Chair Waters

The PSW Committee has asked representatives from the Department of Emergency Management, the Honolulu Emergency Services Department, the Department of Facilities Management, the Department of Customer Services, and other involved departments or organizations to be present and available for comment and questions.

The public can provide written comment or testimony online in lieu of appearing in person by visiting: <http://www.honolulu.gov/ccl-testimony-form.html?view=form>
