MEMORANDUM AND POLICY MEMORANDUM NO. 1-93

TO: ALL ARCHITECTS AND ENGINEERS

FROM: C. MICHAEL STREET, DIRECTOR AND CHIEF ENGINEER
DEPARTMENT OF PUBLIC WORKS

SUBJECT: REINFORCING BARS FOR THE DESIGN OF CONCRETE AND
MASONRY STRUCTURES

Effective immediately, the Division of Engineering will permit the use of ASTM A 615 Grade 60 reinforcing bars in the design of concrete and masonry structures.

Should there be any questions, please contact the Structural Section, Division of Engineering at 523-4041.

C. MICHAEL STREET
Director and Chief Engineer
