Purpose

This report is compiled for the Department of Transportation Services (DTS) Public Transit Division (PTD) for its bus system (TheBus). It provides an in-depth analysis of routes operating in the City and County of Honolulu (Island of O'ahu).

This review is conducted annually as an assurance that: 1. Federal Transit Administration (FTA)-assisted benefits and related services are made available and are equitably distributed without regard to race, color, or national origin, 2. The level and quality of FTA-assisted transit services are sufficient to provide equal access and mobility for any person, without regard to race, color, or national origin, 3. Opportunities to participate in the transit planning and decision-making process are provided to race, color, or national origin, 4. Decisions on the location of transit services and facilities are made without regard to race, color, or national origin, and 5. Corrective and remedial action is taken by all applicants and recipients of FTA assistance to prevent discriminatory treatment of any beneficiary based on race, color, or national origin.

Findings

There were no changes to the Title VI Program policies, procedures, and standards established in 2014.

The 2014 Title VI and Environmental Justice Compliance Report found no major changes to bus services and no discriminatory, disproportional, or disparate impacts to Environmental Justice (EJ) and Non-Environmental (Non-EJ) communities served by Routes 22, 41, and 43.

Title VI Certification and Annual Assurance

The City and County of Honolulu DTS certifies that all policies are in accordance with Title VI of the Civil Rights Act, as amended, 42 U.S.C. §2000d, Section 303 of the Age Discrimination Act of 1975, as amended, 42 U.S.C. §6102, Section 202 of the Americans with Disabilities Act of 1990, 42 U.S.C. §12132, and Federal Transit law at 49 U.S.C. §5332. All of DTS operations, services, activities, and programs shall not discriminate on the grounds of race, color, creed, national origin, sex, age, or disability. In addition, DTS shall comply with applicable federal implementing regulations and other implementing regulations that the FTA may use.

Complaint Procedures

No changes (see Attachment 1).

Record of Investigation, Complaints, and Lawsuits

In compliance with 49 CFR Section 21.9(b) and in accordance with DTS, Oahu Transit Services, Inc. (OTS), the City's bus service contract operator, tracks and maintains a record list of active investigations and complaints. OTS utilizes the Customer Service Reports (CSR) program to compile a record of complaints and investigations that are logged into the Customer service Commendations and Complaints report system that is monitored by DTS-PTD. The documents within the CSR report describe the following five-step process for handling a complaint: 1. Complaints are logged into the CSR database upon receipt, 2. The alleging complainant is contacted within 30 days of receipt, 3. The complaint is sent to the investigating officer for investigation and resolution, 4. A report containing the findings and recommendations for corrective action is written, and if warranted, 5. A document trail of complaint processing is maintained.

The table below presents the record of complaints from 2014 and their resolution. It can be seen that of the 19 complaints logged, only 6 were found to be valid; the other 13 were invalid or inconclusive.

Access to Services by Persons with limited English Proficiency (LEP)

Phone Interpreter services are available through Pacific Interpreters and CTS Language links for the customer service and the information offices of TheBus. Portions of TheBus website are available in Chinese, Chuukese, Ilokano, Japanese, Korean, Laotian, Marshallese, Spanish, Tagalog, Thai, and Vietnamese. Written materials such as brochures are also available in these languages.

Notify Beneficiaries of their Rights

No changes.

Inclusive Public Participation

No changes.

Demographic Data

U.S. Census data¹ and original surveys² have been performed to assess customer make-up and satisfaction.

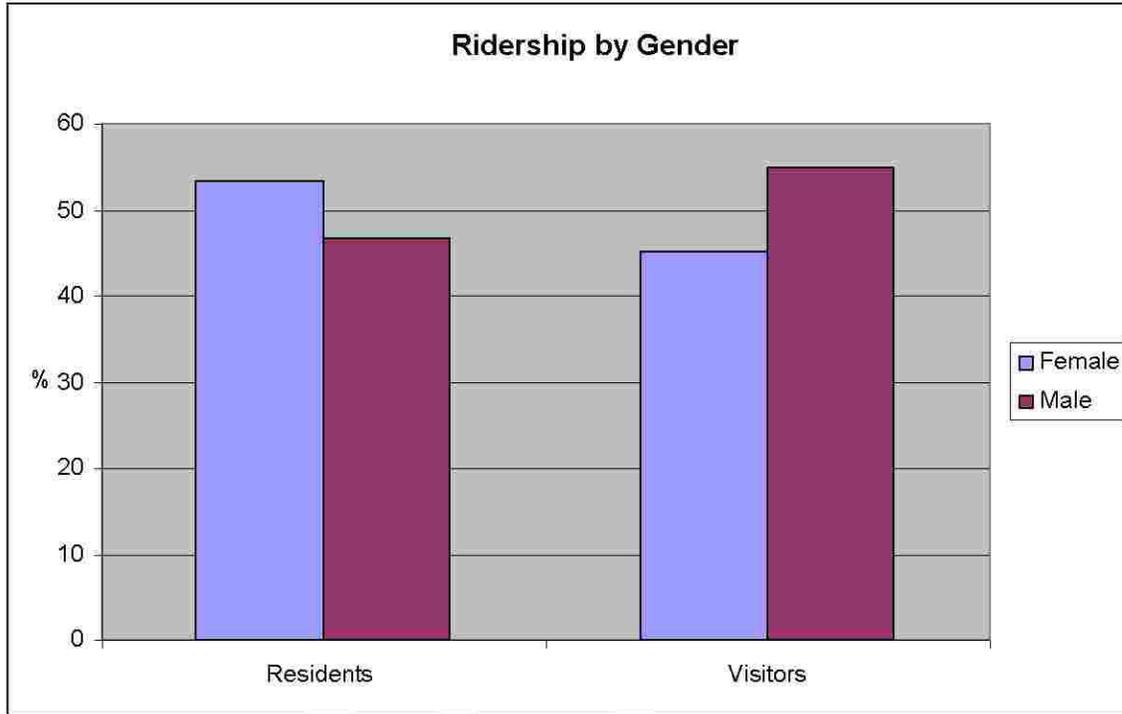

Maps showing the routes examined in this report with U.S. Census Block Groups which are identified as Title VI/Environmental Justice areas are provided in the Map Appendix.

¹ See "Geographic Distribution of minority and Poverty populations on O'ahu: 2010," DTS, City and County of Honolulu, Jan, 2015 rev.

² "HART On-Board Study," 2112.

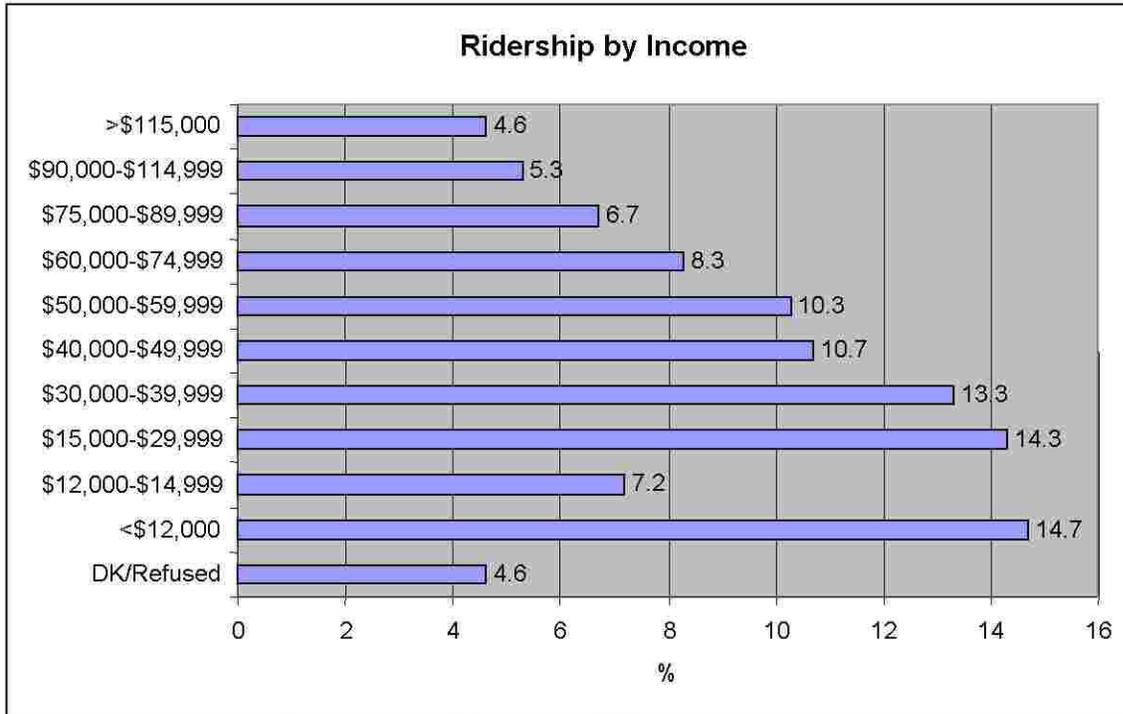

Gender of Riders

While ridership is generally comparable between the genders, the graph below shows that a pattern of slightly more females among residents and slightly more males among visitors use TheBus.

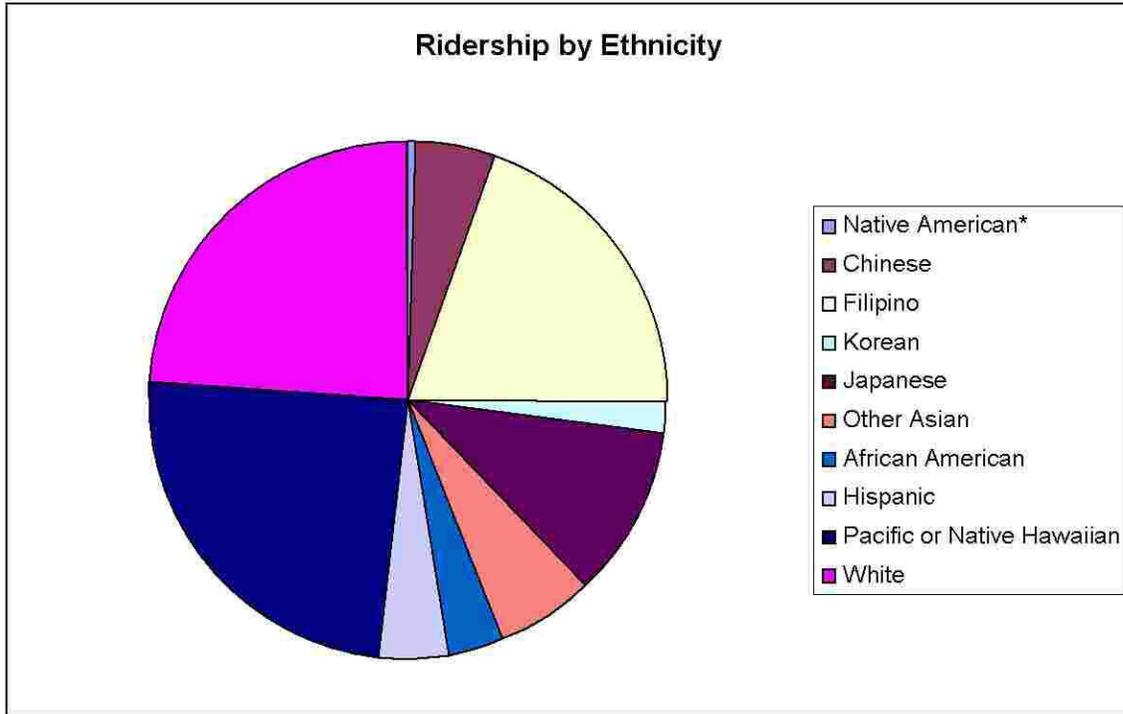

Income and Mobility Measures

Ridership is greater among lower income groups. TheBus, in general, provides mobility for all income levels, but mostly serves lower income riders.

Ridership Ethnicity

Ethnic groups in Honolulu are extremely diverse. Among the ridership, three groups dominated; Filipinos, Whites and Pacific Islanders or Native Hawaiians.

The following tables show the U.S. Census Block Groups served by routes, 22, 41, and 43. The population of each served block group is colored red if that block group was determined to be TVI/EJ designated. Proportions of TVI/EJ population are provided in bottom table rows.

Service Standards

New service standards have been developed and adopted. These standards are detailed in the City and County of Honolulu, Department of Transportation Services' Short Range Transit Operations Plan.

Service Policies

New service policies have been developed and adopted. These policies are also detailed in Short Term Operations Plan.

Evaluate Service and Fare Changes

No fare changes in 2014.

Monitoring Transit Service

Time schedules for routes 22, 41, and 43 are presented in Attachment 1. Route standards are determined by type:

<u>Route</u>	<u>Type</u>
22	Suburban trunk
41	Suburban trunk
43	Suburban trunk

Passenger pass-ups in 2014 are presented in the table below. While no "standard" exists for passenger pass-ups, the two TVI/EJ routes, recorded 24 and 34 pass-ups, respectively while the non-TVI/EJ route had a total of 599.

41	1	5	4	5	8	0	0	1	0	0	0	0	24
43	3	1	3	7	1	0	0	6	4	4	1	4	34

Vehicle headways show consistency across the routes. The standards are 10-60 minutes across all routes except route 41 for which the standard is 60 minutes. Routes 43 meets the headway standards, but only operates during weekdays.

DRAFT

Of the three routes, Routes 22 has shown the highest incidence of bus crowding. Crowded bus conditions are slightly moderate on the other routes. Load standards are that the load should not exceed 150% load factor for more than 5 minutes. No route approaches the maximum load factor standard.

43	55	72.4	.470	.7	61	72.9	.405	.2	5%

While no routes meet the on-time standards, the TVI/EJ Route 41 shows a better on-time average record than the non-TVI/EJ route 22 and the TVI/EJ Route 43.

Bus stop amenities and average transfers either on or off for stops serving the studied bus routes are detailed in the following tables. Shelters, benches, stools, and rubbish receptacles were tallied for each stop. The overall percentage of each amenity is presented in the last rows of the tables. In general, EJ route 43 shows a higher proportion of stops with amenities. Non-EJ route 22 and EJ route 41 have fewer amenities.

As shown below, Route 22 has the lowest percentage of shelters (25%) and stools (34%) and the middle percentage of benches (44%) and trash receptacles (39%). Route 41 has the middle percentage of shelters (30%) and trash receptacles (38%), the highest percentage of stools (45%), and the lowest percentage of benches (30%) and trash receptacles (38%). Route 43 has the highest percentage of shelters (52%), benches (49%) and trash receptacles (54%) and the middle percentage of stools (36%).

Routes/Stops	Shelters	Benches	Stools	Trash Receptacles
22: 125 stops	25%	44%	34%	39%
41: (EJ) 56 stops	30%	30%	45%	38%
43: (EJ) 83 stops	52%	49%	36%	54%

The level of amenities also is well correlated with the amount of on and off activity at the individual stops. Routes 22, 41 and 43 are all classified as suburban trunk routes. Per weekday, Route 22 averages 18 trips with 125 stops, Route 41 averages 43 trips with 56 stops, and Route 43 averages 35 trips with 83 stops.

Route 22 provides service for more individuals than route 41 and 43 due to the length of the route and locations served. Based upon collected data for the three routes, it can be concluded that bus stop amenities were not dependent upon location, but were dependent upon the average number of individuals served and designated stops which is illustrated through total number of trips and total number of bus stops per route.

Bus stops are identified in the maps attached in the Map Appendix.

DRAFT

Attachment 1: How DTS Handles Complaints

How DTS handles complaints

Complaints that allege discrimination based on race, color, national origin, low income, or limited English proficiency while using TheBus or TheHandi-Van services, provided by DTS, through OTS, will be recorded in the Discrimination Complaint Log and immediately assigned a complaint number by DTS, Public Transit Division, Fixed Route Operations (FRO).

FRO will review the Title VI complaint and will provide appropriate assistance to complainants, including those persons with disabilities, or who have limited English proficiency (LEP).

DTS will contact the complainant in writing within fifteen (15) working days for additional information, if needed, to investigate the complaint. If the complainant fails to provide the requested information by a certain date, the complaint could be administratively closed.

DTS will investigate a formal Title VI complaint within ten (10) working days of receiving the complaint. Based upon all of the information received, DTS will prepare a draft written response, subject to review by the City & County of Honolulu's Corporation Counsel.

Corporation Counsel will determine if the complaint may be administratively closed after the draft is written, or if a final written response is needed. If a final written response is needed, DTS will send the response to the complainant and advise the complainant of his or her right to file a complaint externally.

The complainant also will be advised of his or her right to appeal the response to Federal and state authorities as appropriate. DTS will diligently attempt to respond to a complaint within sixty (60) working days of its receipt by DTS, unless it was also filed with an outside agency, as noted above.
