Major sewer projects during November

KAPOLEI – The City and County of Honolulu's Department of Environmental Services is working on six sewer projects in November that will impact roadways and traffic on Oahu.

The projects include:

- **Ahuimanu Force Main Pipe Corrosion Repair Along Waikalua Road** – Sewer force main work on Waikalua Rd from Maui Pl to Kuhono Pl. Crews will be on the road Monday-Friday from 8:30 am to 3:30 pm. Duration of the project is: July 2015 to December 2015.
- **Aliamanu No. 1 & No. 2 Wastewater Pump Station Force Mains Replacement** – Sewer force main replacement work on Salt Lake Blvd from Wanaka St to Maluna St. Crews will be on the road Monday-Friday from 8:30 am to 3:30 pm. Duration of the project is: October 2015 to March 2016.
- **Fort DeRussy Wastewater Pump Station Force Main Emergency Repair** – Sewer rehabilitation work on Kalakaua Ave from Ena Rd to Kuamoo St. Crews will be on the road Monday-Friday 8:30 am to 3:30 pm with intermittent periods of work lasting 24 hours. Duration of the project: December 2013 to July 2015.
- **Renton Road Sewer, Manhole Rehabilitation/Reconstruction, Phase 2** – Sewer rehabilitation work along Renton Rd from Fort Barrett Rd to the Honouliuli WWTP. Crews will be on the road Monday-Friday from 8:30 am to 3:30 pm. Duration of the project is: October 2015 to October 2016.
- **Old Sewer Tunnel Rehabilitation** – Sewer manhole rehabilitation work on Victoria St near Kinau, on Lunalilo St near Victoria St, on Lunalilo St near Pensacola St, at the intersection of Kewalo St and Wilder Ave, on Wilder Ave near Punahou St, at the end of Chamberlain St, on Dole St between University Ave and Frank St, and on Keanu St between 7th and 8th Ave. Crews will be on the road Monday-Friday from 8:30 am to 3:30 pm. Duration of the project is: July 2015 to September 2016.
- **Waimalu Wastewater Pump Station Force Main, Waiau Sewer Rehabilitation/Reconstruction, Phase 2** – Sewer rehabilitation on Kamehameha Hwy from Hekaha St to Kuleana Rd and on Kaluamoi Pl, crews will be working on the roads Monday-Friday from 8:30 am to 3:30 pm. Duration of the project is: September 2014 to May 2016.
