OFFICE OF THE MAYOR
CITY AND COUNTY OF HONOLULU
EMERGENCY ORDER NO. 2020-11
(COVID-19 [Novel Coronavirus])

HO‘OULU i HONOLULU 2.0
(“RESTORE HONOLULU 2.0”)

By the authority vested in me as Mayor of the City and County of Honolulu (the “City”) pursuant to Revised Charter of the City and County of Honolulu 1973 (2017 Edition), as amended; the Revised Ordinances of the City and County of Honolulu 1990, as amended; the Hawai‘i Revised Statutes, as amended (“Haw. Rev. Stat.”); the Constitution and laws of the State of Hawai‘i; I, KIRK W. CALDWELL, hereby issue this order, Ho‘oulu i Honolulu 2.0 (“Order”), to further address the emergency declared in the Proclamation COVID-19 [Novel Coronavirus] that I issued on March 4, 2020, Supplemental Proclamation of Emergency or Disaster (COVID-19 [Novel Coronavirus]) that I issued on March 18, 2020, and the Second Supplemental Proclamation of Emergency or Disaster (COVID-19 [Novel Coronavirus]) that I issued May 6, 2020.

The virus that causes Coronavirus 2019 Disease (“COVID-19”) is easily transmitted, especially in group settings, and it is essential that the spread of COVID-19 be slowed to protect the ability of public and private health care providers to handle the influx of new patients and to safeguard public health and safety.

Due to the risk of the rapid spread of the virus causing COVID-19, and the need to protect all members of the City, especially including our members most vulnerable to the virus and also health care providers, this Order requires all individuals anywhere in the City to shelter in place—that is, stay at home and work from home—except for certain essential activities and work to provide essential business, designated businesses and operations, and government services; or perform essential public infrastructure construction, including housing. This Order is effective on May 13, 2020, and will continue through June 30, 2020, subject to the limited exceptions and under the terms and conditions more particularly set forth below.

Pursuant to Haw. Rev. Stat. § 127A-25 and the Rules of the Mayor City and County of Honolulu, dated March 20, 2020 (“Mayor’s Rules”) promulgated under that section, each of the orders contained in this Order (“the Orders”) shall have the force and effect of law. The Orders
are in accordance with and incorporate by reference the Proclamation COVID-19 [Novel Coronavirus] that I issued on March 4, 2020; the Supplemental Proclamation of Emergency or Disaster (COVID-19 [Novel Coronavirus]) that I issued on March 18, 2020; the Second Supplemental Proclamation of Emergency or Disaster (COVID-19 [Novel Coronavirus]) that I issued May 6, 2020; and Hawai'i Governor David Y. Ige's Proclamation dated March 4, 2020 (as supplemented).

Violation of any of the Orders is punishable as a misdemeanor, with fines of up to $5,000, up to a year in jail, or both. Haw. Rev. Stat. § 127A-29; Mayor's Rules.

All persons may leave their residences only for Essential Activities, Essential Governmental Functions, or to operate Essential Businesses or Designated Businesses and Operations, as those terms are defined in Section II. - By first responders (Honolulu Police Department, Honolulu Fire Department, Honolulu Emergency Services Department) to the extent that wearing non-medical grade face coverings may impair or impede the safety of the first responder in the performance of his/her duty.

The wearing of face coverings under this Order is intended to complement, not serve as a substitute, for social distancing and cleanliness. All individuals in the City must adhere to the Social Distancing Requirements as provided in Section II.K. of this Order.

Definition: “Non-medical grade face covering” or “face covering” as used in this Order, means a tightly woven fabric without holes that is secured to the head with either ties or straps, or simply wrapped and tied around the wearer’s nose and mouth. III. BASIS FOR THE ORDER

This Order is issued based on evidence of COVID-19 within the City, as reported by the Centers for Disease Control and Prevention, the State Department of Health, and guidance from the City's medical advisory experts, scientific evidence and best practices regarding the most effective approaches to slow the transmission of communicable diseases generally and COVID-19 specifically, and evidence that the age, condition, and health of a significant portion of the population of the City places it at risk for serious health complications, including death, from COVID-19. Due to the outbreak of the COVID-19 virus in the general public, which is a pandemic according to the World Health Organization, there is a public health emergency throughout the City. In addition, some individuals who contract the COVID-19 virus have no symptoms or have mild symptoms, which means they may not be aware they carry the virus. Because even people without symptoms can transmit the virus, and because evidence shows that it is easily spread, gatherings can result in preventable transmission of the virus. The scientific evidence shows that at this stage of the emergency, it is essential to slow virus transmission as much as possible to protect the most vulnerable and to prevent the health care system from being overwhelmed. One proven way to slow the transmission is to limit interactions among people to the greatest extent practicable. By reducing the spread of the COVID-19 virus, this Order helps preserve critical and limited healthcare capacity in the City.

This Order also is issued in light of the existence of 400 COVID-19 cases (and 11 deaths) in the City, as well as at least 621 total confirmed COVID 19 cases (and 17 deaths) in the State of Hawai‘i, as of May 4, 2020.

IV. INTENT

The intent of this Order is to ensure that the maximum number of people self-isolate in their places of residence to the maximum extent feasible to continue to slow the spread of COVID-19 to the maximum extent possible, while also enabling essential services and the limited opening of designated businesses and operations to re-establish continuity of social and commercial life. When people need to leave their places of residence, whether to obtain or perform vital services, or to otherwise facilitate authorized activities necessary for continuity of social and commercial life, they shall at all times reasonably possible comply with Social Distancing Requirements as defined in Section II.K.. All provisions of this Order should be interpreted to effectuate this intent.

V. GENERAL

A. Superseding Order. Emergency Order Nos. 2020-01 through 2020-10 issued by the Office of the Mayor City and County of Honolulu related to the COVID-19 pandemic) are hereby rescinded (to the extent they have not been already) and are superseded by this Order. Section 5 of the Supplemental Proclamation of Emergency or Disaster (COVID-19 [Novel Coronavirus]) issued on March 18, 2020, is hereby superseded to the limited extent necessary to carry out this Order.
B. **Duration.** This Order shall take effect on May 13, 2020, and shall continue in force and effect through June 30, 2020, or until it is extended, rescinded, superseded, or amended by a subsequent order, or as otherwise provided under Haw. Rev. Stat. ch. 127A.

C. **Enforcement.** All law enforcement of the State of Hawai‘i and City shall ensure compliance with and enforce these Orders in accordance with Haw. Rev. Stat. § 127A-29 and Mayor’s Rules.

D. **Promulgation/posting.** This Order shall be posted on the City website as soon as practicable in one or more appropriate places, and shall remain posted while in effect.
