Partners In Care & Bridging the Gap:

Partners in Care (PIC) representing Oahu, and Bridging the Gap (BTG) representing Hawaii County, Maui County and Kauai County, are Hawaii's Continuum of Care (CoC.) A CoC is a local planning body designed to promote community wide commitment to the goal of ending homelessness.

Point In Time Count Notes:

The 2017 Point-In-Time Count (PIT) represents the best available data to estimate a one-day homeless prevalence for the State of Hawaii. The primary objective of the count is to obtain a reliable estimate of the sheltered and unsheltered homeless individuals and families at a specific point in time. PIT data collection is an integral part of local and national planning and acts in support of policy and resource allocations.

"Chronically homeless" is defined by 24 CFR Parts 91 and 570 of the Consolidated Plan Revisions and Updates; Final Rule as living in a place not meant for human habitation, in a safe haven or in an emergency shelter; can be diagnosed with a one or more conditions including substance abuse disorder, serious mental illness, or chronic physical illness or disability; and living as described above continuously for at least 12 months, or on at least four separate occasions in the last 3 years, where the combined occasions total a length of time of at least 12 months. Each period separating the occasions must include at least 7 nights of living in a situation other than a place not meant for human habitation, in an emergency shelter, or in a safe haven.
